## A CLOSER LOOK

**1st Oak Tree at SA**

### Cooperation

*This guy once had the talent to top these but hard to envision him being anything more than the shadow of his former self at age 7; that was a solid try back on Jan. 4 here but don't forget the surface was like greased lightning back then and observe that this dude hasn't validated that one since; inside post in a full field probably won't help his cause; have a side against.*

### Ramsgate

*He topped just 3 foes in 2 starts this year but the latest was a vast improvement over the Dmr return; here's another who was quite strong back in this day and at least he's in a barn you can count on to get everything the horse has to offer; clearly 'gate could go either way off of the improved 2nd try off the long rest but we're not exactly eager to back him in order to find out whether he'll take the necessary step forward; minor player.*

### Five Star Thief

*He last reached the trifecta a year ago to the day yet this guy's last couple of starts suggest that he's not too far from these in terms of ability; 'Thief got within 2 lengths of FIVE-time Breeders' Cup Classic participant Perfect Drift 2-back and that runner wasn't exactly disgraced in his swan song; would prefer to know this one was going to finish with more ooooomph but at this level it just might happen; he's in strong hands and the jock does good work for this outfit; should land in the trifecta this time around.*

### National Holiday

*Here's a sophomore with just 4 starts behind him and he'll be working off of a 7-week rest while moving back with older foes; spiffy workout across town one week ago but he figures to be way back there as the real race is setting up; don't get the feeling that this guy can leap forward as needed to really threaten these in the end.*

### Be Realistic (ARG)

*He hasn't won since Argentina and hasn't even pierced the trifecta in 8 U.S. starts; still say this one can serve as a good reminder to those stepping into B.C. weekend; at this point in the day some will be gunning for the moon in hope of boosting their bankroll to what they wish they had going into the big races; it seems a better move to add another rung to your favorite exotics bet than to stab at some improbable longshot just because his odds would get you there; top Beyer figure was earned last out but on the lawn; there are too many better ideas in this opener.*

### Ottaviani

*Today brings 2nd start vs. winners for runner working off of a 2-month layoff and he has been all over the map since last seen locally; as a 4yo this guy cannot be expected to improve markedly over the efforts on the page and that hints that he could be more than just a little over his head in this spot; will have to pass.*

### Bridled Quest

*Hood comes off today for runner who has worn the head gear for a long, long time; first west coast start for runner whose last win was in January of this year; he is somewhat steady at a level of performance that probably won't dent the best of these and the son of Unbridled's Song probably needs a race at the very least; outsider.*

### Gandolf

*Maiden-breaker got the job done in his 16th career start while a 4yo in October; can't expect too much more improvement out of this guy but he has worked nicely since the race and admittedly there is some upside potential in 2nd try off the shelf; runner turned heads up in Canada when first finishing 2nd in the Canadian Derby in Alberta and then running 2nd again in the British Columbia equivalent; we just don't project him to get better fast enough to pose a major threat with this lot; outsider.*

### Meetingwithdestiny

*Today brings first start vs. OLDER foes for a sophomore idle since April; this was a narrow maiden winner at this track and one who, if ready to fire best shot now, could indeed be projected to go fast enough to menace these on a good day; works have been impressive and, well, just how many times do you come out to SA and find one Franki Dettori riding in the first race??; flying dismount after the opener? - dunno, but you could probably do far worse for the price you'll find on the board.*

*Really like what this one has accomplished in brief career and while he has a right to step forward in 2nd try off the long rest this one IS already a 4yo so he may have limited upside; note $750K purchase price and you're not surprised given he's by Storm Cat; he won in solid time a month ago and could be competitive here with the right step forward; love the interim work-tab and we would use this number in multi-race exotics.*

### Overbid
*This is a $450K son of Pulpit but his form to date doesn't exactly get our pulse racing; do like the fact that he fired big in 2yo debut and of course we should project considerably better figures more than 10 months later; barn solid with long-layoff sorts and the works have been splendid and without a missed beat; we won't fault him for losing that 2nd start when they screamed around there on a vastly different surface than what he'll see today; pace was so dull in last that closers may not have had any advantages; surprise package at this point.*

### Dark Nose
*His only win since 2005 came narrowly with just 3 foes behind him but the last-out effort was quite reasonable considering he'd been away for 1 1/2 years prior to the race; as this one is a 5yo there isn't much upside potential anymore but he does have good speed and can be a pace factor at the very least; today marks first start for a tag but he's still going to be up against it in this company; prefer others.*

### Abaconian (IRE)
*This is a runner who has been dust in the wind in every start going back 2 1/2 years; granted the speed figure earned in latest try wasn't terrible and if he had significant improvement potential now then he might make for a reasonable alternative to some of these; never any tote action on this guy and there aren't too many things to endorse about him at present; outsider.*

### Guns On the Table
*This runner has done reasonably well so far when facing winners and he also sports competitive figures earned last month; as a sophomore making only 4th start during the past year 'Table seems eligible for further improvement; note traffic trouble at the furlong grounds in latest; Baffert on Breeders' Cup weekend? - that's nothing new; wide berth no big deal with a long run to the first turn and Johnny V. taking over; looms very large in the opener.*

# A CLOSER LOOK
## 2nd Oak Tree at SA

### Masterful Miss
*She improved her value last time, when in her stakes debut she rallied for second; not convinced the inside draw here will work to her advantage, but the move back to the overnight ranks is a plus; dam was a Grade 2 winning sprinter who ran out $305K, and she has produced a Grade 1-placed winner in Hendrix ($389K); leading contender.*

### Surfer Girl (BRZ)
*Gomez teams with stakes-placed runner from Brazil who makes her North American debut; for the occasion she will cut back to the distance of her maiden win, and move to a synthetic surface from turf; like her consistent nature, and the fact that she is a half-sister to Refuge Cove, a Group 1 winner in Brazil; she also gets first Lasix, and has been working well at SA for her first start since May; barn has done excellent with runners making their first start in North America; one to preview in the paddock.*

### Rollerskates
*Barn makes some changes here, cutting this one back to a sprint and moving her to the main track and she gets pedigree support for the trip as her dam registered three of her four career wins in dirt sprints; further, three of her four foals have won main track sprints; looking for this one to make her bid in the lane; could share.*

### She's Cheeky

*She meets winners for the first time off a sharp maiden score and like that she goes to bat for a hot barn; she also moves back to six and a half furlongs for this, and the distance has produced her best career Beyer Figures; the concern is that she could regress some in her first against winners; another who can share.*

### Star Voyager

*She was part of a hot pace in a recent route race and now cuts back to one turn and looking for her to be strong in the lane as a result; like that she is a three-time winner facing some less experienced rivals, and that she is making her third start off the layoff; others, however, seem more probable for the win.*

### Silk Thunder

*Del Park invader returns to Southern California and she did some of her best work here earlier in the year; like that she brings good speed to the table and that she shows some strong works for her local return; dam was stakes-placed, and looking for this one to make an impact under Bejarano.*

### Carrie With a C

*She is appealing for her experience; she is a 12-time winner taking on a number of rivals who have just one win on their resume, and that can be a real advantage in these optional claiming races; she also moves back to the main track, site of her last win, and she has a useful stalking style that could situate her right in behind She's Cheeky, Silk Thunder, Rare Ribbon, and perhaps La Mandonna; win candidate.*

### Rare Ribbon

*Claimed out of her last start, she gets the chance to move back to a synthetic surface here and her last win came on such footing; looking for her to be prominent, as she exits a quick-paced turf sprint; she also won her maiden in wire-to-wire fashion; draws to the outside of main pace rival Silk Thunder; needs top effort to knock off some of the leading contenders in this spot.*

# A CLOSER LOOK

## 3rd Oak Tree at SA

### Magnificience

*Lightly-raced lass finished well in her only attempt at this distance but has not come close to that towering Beyer earned in her second career outing; the third start off the bench angle is negated by today's post position, a definite barrier at this distance; has always gone to post favored or second choice, something that will not be the case today; prefer others in this stellar line-up.*

### Indyanne

*Near perfect record in six starts, with the sole loss involving a legitimate excuse; faces bitter early battle with Dream Rush as their pace profiles seem dead even; makes first attempt at seven-eighths yet has shown superior gate speed; conflicting signals for talented grey, daughter of Indian Charlie who lost only once in his career.*

### Intangaroo

*Powerhouse closer should receive ideal set-up today and the loss of 6/28 can be explained as she was too close to the early leaders that day; has an excellent sweeping move, a style which has been successful over this course; connections probablly would have preferred a wider slot but this filly, a multiple course and distance winner, appears the right value play; sired by Breeders' Cup Sprint winner Orientate.*

**Lady Sprinter**
*Speedball from Argentina should add more fuel to the early fire but is another in the field attempting this distance for the first time; lengthy workout regimen over this surface is moderate and it is unlikely she can steal early from the other pure pacesetters; she has defeated the boys in the past, however, and was heavily favored in some massive fields.*

**Indian Blessing**
*Brilliant filly has won Grade 1s on various surfaces and repulsed a strong challenge in winning her last at Belmont; in that affair, she easily dispatched Porte Bonheur the only filly who has defeated Indyanne thus far; workout of 10/12 here was strong and she was well within herself; only shortcoming is the fact that the only photo finish of her career was over this same surface; must be positioned perfectly and avoid moving too early into fierce middle fractions; the one to beat nonetheless.*

*One of only two horses to defeat today's favorite, this filly has been rested since impressive score in G1 Acorn; middle mover has been breezing well at her Belmont headquarters and draws a particularly good post here, allowing the rider to oversee the primary speeds; she is flawless at this distance and the only knock is that she is a newcomer to the synthetic surface; expert trainer at the helm.*

*A lifetime .500 hitter, she ran out of gas at Presque Isle Downs, a surface which has not been all that kind to sprint speed since its inception; received some well needed conditioning in that effort but will be hard-pressed to clear other frontrunners in backstretch run; outstanding workout on 10/10 over the deep training track at Saratoga could prove the right catalyst to victory.*

*Versatile mare is a world traveller whose career focus has been turf racing; finished right behind Dream Rush last time when that one wilted after setting a quick tempo; curious item certainly benefits by the flow of this race but still appears out of her element; doubtful that she can reel in the majority of the pacesetting contingent.*

### Ventura

*Has done very well over the synthetic and the turf; wide slot should work in her favor also; moderate drill over the course and she has turned in some strong performances in the past following similar freshenings; lost a tremendous amount of ground in winning her last attempt at this trip at Keeneland; cannot disregard.*

### Tizzy's Tune

*The classic horse for the course, she leaps way up the hierarchy to try Grade 1 competiton for the first time; despite defeating some of these same ladies last month (and note brave placing behind Intagaroo back in January), she may be overlooked in the wagering again; midpack style seems a perfect fit; worth some exotic consideration as a result.*

### La Tee

*Respectable recent efforts but she gets the worst of a weight shift if you focus on Dearest Trickski and Tiz Elemental; extreme outer post not the problem, the ability to handle this trip and stay within range of world-class pacesetters is; do not believe she is on par with these regardless of the pace scenario.*

## A CLOSER LOOK

### 4th Oak Tree at SA

**April Pride (GB)**
*Obviously did some good work in England, including G3 SP, though she has just her maiden win; still, you'd expect the Euros may well have an edge playing this particular game...but we're also talking about young horses who for the first time in their lives have shipped halfway around the world and surely the clime is different here than in jolly ol' England.*

**Laragh**
*Sire won the G1 Wood and has produced the likely G1 BC Juvenile Fillies favorite Stardom Bound; this girl shows he gets turf runners, too; looked super blasting rivals in that KEE stakes last time; that also shows she can ship and perform, though it's an entirely different type of turf course here than she saw at either WO or KEE.*

**Maram**
*No mistakes so far; she's also shown she can handle different turf conditions; that was a pretty firm course she won on at SAR in her Aug. 25 debut and then she handled soggy turf when she won the G3 Miss Grillo; must ship to new surroundings but obviously this game suits.*

**C Karma**
*Shown she can win sprinting and routing, on synthetic and on soft turf; of course, today we're dealing with firm turf, tougher rivals and new surroundings as all her career has been at her backyard, WO; the good news though is she's obviously got some quality and there's no reason to think she can't handle firm going; worked very nicely here last Saturday, too.*

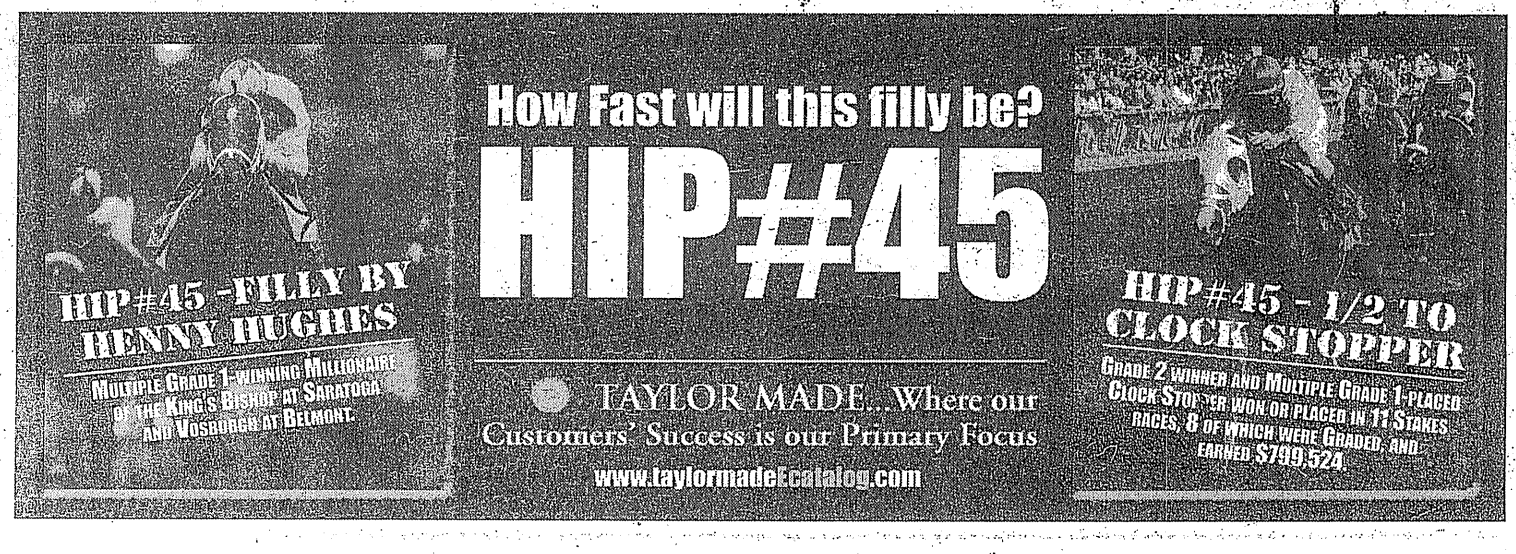
*Continued on Following Page*



### Emmy Darling
*Sire Graeme Hall is 2 for first 41 (about 5%) first time on turf, 7 for first 76 (about 9%) overall on turf, according to DRF sire stats; sire won 7 of 22 for $1.1 million, won the G2 Arkansas Derby, never tried turf; dam won 1 of 9 for $36K, that 1 win came on turf; lone sib to try turf has 1 2nd in 4 tries on it; loads of speed here to be sure, and a trainer who's had a strong year and meet; still, there are issues - she hit the brakes pretty hard in the G1 Del Mar Debutante and now she's asked to face more toughies and do so while routing and trying turf both for the first time; at least that :59.80 turf work here Oct. 17 encourages...but the hurdles are not insignificant.*

### Freedom Rings
*Couldn't quite outfinish Maram in the G3 Miss Grillo at BEL last time; by association, though, if Maram is a player here (and she is) then doesn't it follow this girl is, too? yes, it does, though she is a maiden facing winners and you'd probably feel a bit better if you knew she knew how to win; handled firm turf in her SAR debut a few months ago,too.*

### Consequence
*OK, so Maram and Freedom Rings beat her in the Miss Grillo; however, she was really finding her stride late that day and might well have won in another couple jumps; that also marked her first route and first try vs. winners; certainly seems to have plenty of upside and that bullet :46 here Oct. 19 is a big thumbs-up...and Shug isn't exactly one to put 'em on a plane unless he really likes the hand he's dealt; Shug has not only won 9 BC races but won 2 BC Miles with Lure; plenty to like..*

### Sugar Mom
*Sire Monarchos gets over 14% first time turf winners, over 12% overall turf winners; sire won 4 of 10 for $1.7 million including the G1 Ky. Derby, G1 Florida Derby, never tried turf; dam won 10 of 34 for $781K, had 5 wins on turf including multiple SWs; kin to 4 turf winners; certainly found herself this spring/summer with 3 straight big wins; question is, can she take that sharpness across the country and to a different surface? owner and trainer tasted BC success a few years ago with Dreaming of Anna (won BC Juvenile Fillies).*

### Renda
*Sire Medaglia d'Oro is 2 for first 9 (22%) first time on turf, 2 for first 11 (18%) overall on turf; sire won 8 of 17 for $5.7 million, won multiple G1s including the G1 Travers, G1 Donn, G1 Whitney, was 2nd twice in the G1 BC Classic, never tried turf; dam won 3 of 18 for $131K, had 1 3rd in 3 turf tries; lone sib, a 2-time winners, was off board in only turf try; blossomed of late when sent long with 2 romping route wins; of course, this spot not only may be tougher in terms of competition but the surface issue is there; that 1:11.80 turf work at CRC last month helps alleviate some concerns about that at least.*

### Beyond Our Reach (IRE)

*Could be awfully scary; may still be a maiden, but she's G1 SP in Ireland, and after a big debut try when beaten just 2 noses her connections thought enough of her to try 2 straight G1s; ran well in the first, not so well in the 2nd; this game surely suits, though it's noteworthy her 2 best races came on soft ground, something she won't get today, and it's not like she got a lot of help from the draw, either.*

### Saucey Evening

*Won her debut, which came on the turf at CNL in June; came West and did very well vs. Cal-breds, running 2nd in a DMR sprint and winning the Cal Cup Juvenile Fillies (a route) here; of course, that won on synthetic footing and sandwiched in between was a non-factor 7th behind Stardom Bound in the G1 Del Mar Debutante; at least proven routing and on turf, but these aren't just Cal-breds; has worked well and gets blinkers; trainer Motion won the G1 BC Turf with Better Talk Now a few years ago.*

### Heart Shaped

*Like fellow Euro Beyond Our Reach, she's dived into G1 waters and handled herself well; unlike that foe she's a winner, and in fact that maiden win came over the boys in Ireland; must respect anything O'Brien sends out and there's pedigree, too - not only by top sire Storm Cat but she's kin to Summer Bet (10 turf wins), A P Valentine (won G1 Champagne, 2nd in G1 Preakness and G1 Belmont); that's all well and good, but she certainly got no help from the draw as she's going to need every break in the book to win from out here.*

### Internallyflawless

*AE moved to turf and a route for the first time here Sept. 28 and flourished, bounding home to win nicely; that being said, those were maidens - these are not; and, if she gets to play she'll be mired with a very difficult draw; may have a nice future, the way she won, but is this biting off a bit too much too soon?*

### Atka

*AE's sire Swiss Yodeler gets over 8% first time turf winners, over 9% overall turf winners; sire won 6 of 24 for $761K, won G1 Hollywood Futurity; had 1 3rd in 3 turf tries; dam won 4 of 24 for $207K, 2 wins on turf, was a SW and twice G3 SP on turf, too; all 6 sibs to race are winners, but the 2 who tried turf finished off the board in 5 and 2 starts on it, respectively; ran evenly when 4th in the Cal Cup Juvenile Fillies behind Saucey Evening; must deal with her and Emmy Darling again, both of whom beat her on synthetic - she must find a way to beat them on a new surface and they can't really be considered the main protagonists here, either.*

## A CLOSER LOOK

### 5th Oak Tree at SA

**Evita Argentina**
*On Beyers, she seemed to run her race in the Dmr Deb; the opposition simply improved; connections skipped the Oak Leaf, hoping to get her to peak for this; acts like a filly that will go on; she beat Stardom Bound in the Sorrento, but with a favorable trip; not convinced she is fast enough.*

**Persistently**
*Unlike sire Smoke Glacken, this filly comes from the clouds; she used that style to grab 2nd in the Matron and Frizette; how that translates to synthetic, two-turn success is unknown; Smoke Glacken has weak synthetic stats this year (99th by earnings, 1.05 SPI).*

**Black Magic Mama**
*A maiden but her figures are comparable with others in here, and she was just 2.25 lengths away from second on the Oak Leaf; that followed a promising debut going 5.5f; expecting her to move forward off her first route.*

**Sky Diva**
*Easily handled two turns at Del, and then shipped to Bel and whipped G1 opposition there; the unknown is how she adapts to the synthetic; sire Sky Mesa has an all-weather SPI of 1.97 this year, compared to 3.07 on dirt (the higher the better); has trained over the synthetic Tapeta surface at Fair Hill; well drawn; major player.*

**Be Smart**
*Her 2nd in the Alcibiade not earn her much of a but those willing to overlo fig will like that she perfo well stretching out from 5 1 1/16m; she seems lik benefit from that first star synthetic track and her route.*

**Van Lear Rose**
*Like Stardom Bound, comes off two straight s victory over synthetic tra but she's 30-1 on the mo line; those looking for a longshot might want to co er her; despite a slow pace closed to victory in the Mazarine, earning an 83 B*

**Dave's Revenge**
*Was dismissed at 37-1 in debut, but showed a pow late finish to win going away a huge step from a Md Sp into a G1, and this one ha raced since late August; be her inexperience puts her a much of a disadvantage.*

**C. S. Silk**
*Showed a liking for a synth track with a dominant scor the Lassie; that looked lik good G3 field, too; comes this fresh, as she did Lassie; although untes going two turns, she rated ki ly in her maiden win; threat.*

**Palacio de Amor**
*Speedster has run well in last three starts, breaking maiden and twice running 2 in the Dmr Debutante and O Leaf; that noted, she was ov whelmed by Stardom Bound the stretch; fast work just da ago will likely only sharpen speed; quite possibly the one catch.*

### Stardom Bound

*Her rallies to victory in the Dmr Deb and Oak Leaf were spectacular to watch; not only is she capable of passing 10 or 11 horses in a quarter mile, she somehow does it and wins by open lengths; perhaps the So Cal competition was soft this year, but this filly's win over the Pro-Ride track makes her less of an unknown; choice.*

*Dominated the Alcibiades, capitalizing when her two chief rivals, Mani Bhaven (7th) and Bon Jovi Girl (4th) struggled over the synthetic; her time was moderate taking into account the speed of the track - hence the 80 Beyer; main plus is that she is a proven two-turn synthetic performer.*

### Forever Together

*Gray burst on the scene with G2 win on the Gulfstream Park dirt however she's taken her game to another level since landing on turf; impressive were her Diana score over Dynaforce, Vacare and Wait a While as well as Keeneland win in which she reeled in classy speedster Precious Kitten (trying the boys in tomorrow's BC Mile); 1 1/4 miles is legitimate question although ground-saving trip could help her last this long at decent price; hard-hitter presents exotics possibilities.*

*Like the other (higher-regarded) European shipper Halfway To Heaven, this 3-year-old filly emerges from a 1 mile G1 Newmarket event contested 3 weeks ago; Juddmonte Farms homebred is kin to G1 overseas winner Promising Lead ($444K) and hails from the barn of Stoute, who saddled Islington to win this race in 2003; of course, this lass must turn the tables on 'Heaven (who has won at this distance) in initial attempt beyond 8 furlongs; fringe contender could outrun price if prompting soft splits.*

*Eclipse award winner and perfect Santa Anita turfer takes another crack at the BC Filly and Mare Turf (4th at 2-1 in Kentucky in 2006); she's bounced back from a 4-year-old campaign that wasn't her very best with Saratoga win over subsequent (Polytrack) G1 Spinster winner Carriage Trail and 2nd triumph in the local Yellow Ribbon; tactical zip is in evidence under Velazquez (guided Starine to '02 win) so classy individual is tough to toss; capable although value, as usual, won't be on tap.*

### Pure Clan

*The 3rd 3-year-old's 1st turf loss came on yielding footing to Backseat Rhythm (back to snag 2nd in the G1 QE II Cup); daughter of G3 turfer Gather the Clan ($232K) is a bit light Beyer-wise and draws worst post to meet strong international field; the G1 American Oaks winner at 1 1/4 miles will be available at uncharacteristic double-digit mutuel under Prado; others rate a bit higher today.*

## A CLOSER LOOK

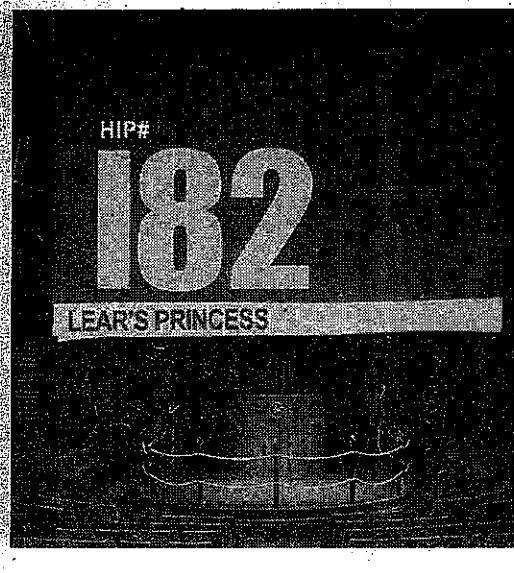
**7th Oak Tree at SA**

### Zenyatta

*Undefeated filly has done everything right in her 8 career starts and was perhaps the most impressive when running down and away from Hystericalady in the Lady's Secret here last last month; while there's again a lack of true pace in front of her, she's worked as if that last one took very little out of her and that's a scary thought; while it's rarely advisable to swallow a price as short as the 3-5 she's listed on the morning line, as long as she's able to get off the rail for her run she appears rock solid in this one.*

### Hystericalady

*Hollendorfer filly was allowed to canter through tepid fractions in the Lady's Secret, but it didn't matter, much as Zenyatta was simply a tigress that day; much has been made of the fact that she's fared considerably better over conventional dirt and over that surface at Monmouth she was runner up to Ginger Punch in this heat last year; maybe she's able to make the lead again today, but if Zenyatta shows up with her 'A' game, it won't matter.*



*Lear's Princess, winner of the Grade 1 Gazelle Stakes at Belmont over Rags to Riches, is a winner on dirt, turf and polytrack. This daughter of Lear Fan offers a genetic palette from which to paint a masterpiece.*

*Where will you be on November 2nd?*

**Cocoa Beach (CHI)**
*Godolphin filly is perfect i country and she opened s eyes in running down pac ter Ginger Punch in the s Beldame last out at Bel she worked well before ping West, but she does ha new surface to deal with o sport's biggest stage; the ty is certainly here and should offer some value, she still has somethin prove.*

**Music Note**
*Sophomore tries older sta runners for the initial time in big spot; Godolphin's sec uncoupled entrant is Pr Spell's head shy of perfec this year and her last was more than a paid public w out; she's on the improve has every right to keep mo forward, but she, too, trie synthetic surface for the fi time; hooks some tough o females, but she gets a we concession and shouldn't overlooked.*

**Carriage Trail**
*East coast based mare, shown a serious affinity for s thetic surfaces and she sim exploded midway on the tur the Spinster, extending margin with each stride des getting out late; while the Ki a perfect two for two abo her, she regressed off a number back in the spring a she's cutting it close, return just 19 days off that career b Beyer; this barn's runn rarely fail to show up in spots, however.*

### Ginger Punch

*This heat's defending champ found herself in an unfamiliar spot in a paceless Beldame when nailed late by Cocoa Beach; given the post draw she should be able to resort to her preferred pace tracking tactics and she's won several Grade 1 events at this 9 furlong trip; odds on in 7 straight trips to the starter, the price will surely be better today; main threat to the chalk.*

### Santa Teresita

*She's a very nice filly, but despite the relatively close finish behind Zenyatta in the Lady's Secret, she looks to be a bit overmatched in here; all but one of her rivals is a Grade 1 winner and she's the lone member of the bunch without a graded stakes score to her credit; prefer to side with others today.*

### Bear Now

*Punched her ticket with an easy win over a relatively weak bunch at Turfway on Kentucky Cup Day; she made the lead in this heat last year and similar tactics would probably provide her with her best shot in here, but she draws outside and she didn't have much success behind a couple of these gals at Monmouth last fall; tough to get excited about her chances of getting involved in the outcome.*

# A CLOSER LOOK

## 8th Oak Tree at SA

**Black Mamba (NZ)**
*This G1 winning mare would have attracted some support in the F&M Turf, and outside of the fact that she might not mind having a little more ground to cover, this looks like a very good spot for her to land in. She ran very well in defeat in her latest race behind a perfect winner in Wait a While, and as long as she doesn't leave herself with too much to do late she'll likely be putting in a serious late bid.*

**Lightmyfirebaby**
*She's been on top of her game in her recent races and this includes a start at today's one mile distance at Dmr three starts back; however, this is a tough spot for her and she'll need to see a few of these show up with less than the best if she's to have a chance at the top prize.*

**Zardana (BRZ)**
*She's had trouble keeping up with a couple of today's rivals in her recent races and this race looks even tougher for her from top-to-bottom than any of the turf events she tried late. She's going to have to step her game to find herself in the mix with these nearing the finish.*

*This G3 winning mare is capable of putting in a solid mile on her best day, and even though she's raced alright off of layoffs in the past, this is a demanding assignment for her first start since February; winner from latest returned to win next-out here on 3/23 going 1 1/8m over turf going 1 1/8m over turf in a G2 with a 95 Beyer Speed Figure.*

*She's a little interesting in here while moving back to turf for the third start of her current form cycle and she ran very well over turf earlier in the year before taking some time off; if she gets overlooked in the wagering she's worth a spot in the exotics at the very least.*

**Kris' Sis**
*This multiple grade placed performer is a here who has landed spot to make her first from a layoff, but she has some quality tur her card to look at; she must be at her ve beat this bunch and th easy spot for her to b for her first win of 200*

**Passified (GB)**
*She has a G2 win to h and have to respect her form spiked from a to age four; she has e tactcial speed, she se love this turf cours today's one mile distar her right between the e*

**Moujane**
*Have to appreciate the tent approach to the gam this filly has adopted, b bunch might be a bit too for her and she's a fron ning type who doesn't fig have an easy time of it th the opening stages.*

**Bahama Mama (IRE)**
*Desormeaux figures to let miss roll right from the be an attempt to take the e step of the way, but she likely to catch an early brea in here, so she'll be aske run hard throughout; this l like a tough test for her, but race call might be interestin Black Mamba is trying to re Bahama Mama nearing the ish.*

### Roshani

*She's a multiple graded stakes winner over turf and eight of her nine turf starts have been quality performances with her only sub par turf start coming in her latest outing; like to see that she's run well over this course before, and going to look for her to bounce back to her best with John V. hoping back aboard.*

*This G3 winning mare has some quality turf form on her card to consider but this miss does appear to be at her best when she's involved in a comfortable early pace and that doesn't figure to be the case in here; not willing to count her out of it, but others entice more.*

### Gotta Have Her

*This filly has her good days and she appears to be well meant in here while returning from a near two month layoff as it looks like her connections have been able to get her to run her best races off of a layoff in the past; don't care to see that she loses the services of Migliore, but going to look for this filly to be ready for a top try.*

### America's Friend

*Have to respect the year she's had after looking at what she did in 2007, but this does appear to be a very difficult assignment for her, especially with an extreme outside post in play in a field this size; looking at her as being more of an outsider versus these.*

### Six Pack Abs

*Horse for the course has fired 3 big races in 3 attempts over the Santa Anita strip; the latest being a Beyer speed figure Top performance when dominant in victory over lesser; Eclipse rider Gomez opts to stay here, while seemingly having other options in this event; he is sired by a 478K-earning sprinter; is out of a 608K-earning stakes-winning dam; figures to turn the tables over his home course on Hurry Up Austin, who defeated him at Del Mar; scary if repeats last and just missed at today's distance over the track previously; the pick.*

*Winless in 3 attempts on synthetic surfaces; stakes winner is a sibling to 1.3M-earning Grade 1 Gorella; winless drought since a November, 2006, triumph on the HOL Park lawn; runnerup rider from latest side with Six Pack Abs; might be better on grass, but last was a strong effort and projects to be firing well in the final yards contender.*

*Grade-2 stakes winner picked up his 1st win picture since 2006, stalking the pace effectively in a Fairplex score; was no match in the stretch for Doppio in his latest synthetic surface start at Del Mar; last was much better, but has something to prove off his July DMR defeat.*

### Doppio

*61-day break since being outrun by Breeders' Cup Mile contender Lewis Michael; giant race off a 75-day break with Bejarano riding, who returns for this; defeated claimers over the Santa Anita strip at today's distance in 2007; he loves this course and figures the one to beat if he can bounce back off latest; view as the main rival.*

*Figured to be a tough customer in latest, but could not match the top 2 over the track; landed behind similar rivals in a March Santa Anita test; while latest was OK, it certainly didn't seem impressive enough to give him the call over this talented group.*

*Grade 1 stakes winner is on an 11-race winless streak, dating back to an August, 2006, Del Mar G2 tally at today's distance; the triumph was so long ago, it occurred on the old DMR conventional dirt oval; his 5-0-3-1 synthetic surface record includes many close defeats; edged Soul City Slew on turf in latest; will be trying to remember when.*
