SATURDAY 3/23/19

<p>1 GULFSTREAM PARK R8 (3:10 CT) 47 MDN CLM 16K, 5F TURF</p> <p>7 MARDI GRAS GIRL 10-1 2 ENTREZ ENCORE 4-1 1 VINA 10-1 5 MAGIC MAKER 3-1</p> <p><u>PICK: 7 MARDI GRAS GIRL</u> Hasn't been out since August when she was facing 50k company. Showed good speed in that race with blinkers added for the 1st time there. Kast time facing claiming company on a fast dirt track she was 2nd by a half and vs males. Doesn't face much. Wire chance.</p> <p><u>VALUE: 2 ENTREZ ENCORE</u> She gets off the turf in here and there isn't a lot of pedigree for the grass. Faced better in virtually every start before the drop in most recent start. She ran well as the favorite in a race where she drew the wide 8 post. New rider up. Should be a fit vs this weak group. A) 2,7 B) 1,5,8,11 C) 3,4,9</p>	<p>2 GULFSTREAM PARK R9 (3:40 CT) 41 CLM 6K, 1M DIRT</p> <p>6 MR. MACFADDEN 8-5 7 HIGH RISK STRATEGY 6-1 1 SMART RETURN 8-1 8 FIGHTINIRSHTABIT 6-1</p> <p><u>PICK: 6 MR. MACFADDEN</u> Typical Navarro fashion to take over on this kind of middling runner and turn him into a dominant winner in back to back starts. Has speed and should be well in front here. Runner-up in last came back to win by 8 at the same level last weekend. One to beat.</p> <p><u>VALUE: 7 HIGH RISK STRATEGY</u> Would give him the best chance to beat the top choice if that one falters. He was 3rd in allowance at MNR five starts back. Won at 9-1 three back at a bit higher level. Winner of two back came back to win, as did the 2nd place finisher. Pace was too slow last start. A) 6,7 B) 1,8 C) 2,3,4,10</p>	<p>3 GULFSTREAM PARK R10 (4:10 CT) 32 CLM 20K, 1M TURF</p> <p>6 JEANIEONTHEBEACH 9-2 8 ZAO'S DREAMS 6-1 4 FREE TO FLY 8-1 3 QUICK POINT 4-1</p> <p><u>PICK: 6 JEANIEONTHEBEACH</u> Debut over this track was very strong. Beat 35k company for fun as a 5-1 chance. He's been in stakes company since. Don't think he liked being hung out wide in last when he was in the 11 post. Beat some of these 2 back when 4th at 12-1. Drop should be good.</p> <p><u>VALUE: 8 ZAO'S DREAMS</u> Was right behind the top choice two back in the small stakes here. He drew poorly in the 11 post but didn't run badly beating half of the field. Dropped and scored and was a claim by these connections out of there. Is a closer who will get quick pace to run into. A) 3,4,6,8 B) 5,10 C) 1,7,9,11</p>	<p>4 GULFSTREAM PARK R11 (4:40 CT) 53 STR ALLW 50K, 1M 1/16 TURF</p> <p>8 CARLOS SIXES 5-2 1 GRAND JOURNEY 6-1 7 CALORIC 20-1 4 APRECIADO 6-1</p> <p><u>PICK: 8 CARLOS SIXES</u> Came off a 14 month layoff and ran well vs 50k claiming two back. Improved last out to win despite getting into traffic late. Faced a few nice ones in Canada (First Premio won 5 back and he is a stakes winner now and one of the main dangers in a stakes at FG today.</p> <p><u>VALUE: 7 CALORIC</u> Drew the rail in last and had a terrible trip on the inside part of the track. Was checked on the rail and dropped back early and couldn't recover. Run three back at 62-1 puts him in the mix today. Goes to a lower percentage team today and that will ensure a big price. A) 1,8 B) 4,6,7 C) 3,5</p>
<p>5 OAKLAWN PARK R9 (5:09 CT) 78 GAZEBO 125K, 6F DIRT</p> <p>4 ONCEWEWEREBROTHERS 5-2 5 GRAY ATTEMPT 8-5 6 SIX SHOOTER 6-1 2 NITROUS 5-2</p> <p><u>PICK: 4 ONCEWEWEREBROTHERS</u> Ran second to Gray Attempt in the debut at 25-1. Came back to win next out in what is turning out to be a key race. There were 3 next out winners from that race and 6 who have come back to hit the board. Game win at 4-5 in last over a good field. He cost 220k.</p> <p><u>VALUE: 6 SIX SHOOTER</u> Turning out to be a good claim (20k in the debut). Won a 75k stakes three back at DED as the favorite. Big late run in the last two strong stakes routing to finish close 4th in both. Added blinkers in last. Cuts back to a sprint in here. He'll be a late player today. A) 4,5 B) 2,6 C) 1,3</p>	<p>6 GULFSTREAM PARK R12 (5:10 CT) 68 HUTCHESON (G3) 100K, 6F DIRT</p> <p>2 FEDERAL CASE 9-5 1 IN THE LOOP 3-1 4 TOPPER T 2-1 5 LUTSKY 4-1</p> <p><u>PICK: 2 FEDERAL CASE</u> Pletcher runner cost 650k last year and has run to the purchase. Didn't get a good break in last and it cost him beating just two home in the Holy Bull. Has really worked in sizzling fashion and adds blinkers. Has a bit of route speed, will be in a tracking spot with these.</p> <p><u>VALUE: 1 IN THE LOOP</u> Super debut for this 150k purchase. Has lots of sprint breeding in the pedigree. Not that surprising he was ready to first out. Rider is in Louisiana for the La Derby so 2nd call jock gets aboard. Notice third was far clear of the rest of the field. Came back with bullet drill. A) 1,2 B) 4 C) 5</p>	<p>7 FAIR GROUNDS R13 (5:13 CT) 83 LA DERBY (GS) 1M, 1M 1/8 DIRT</p> <p>6 WAR OF WILL 6-5 11 HOG CREEK HUSTLE 12-1 3 LIMONITE 20-1 9 BANKIT 20-1</p> <p><u>PICK: 6 WAR OF WILL</u> Winner of all three starts on the dirt since he was moved off the grass and he crushed many in this field in the two FG prep races prior to this. Traveled wide in those wins in races where the pace was against him. He gets perfect pace scenario here. Too good.</p> <p><u>VALUE: 11 HOG CREEK HUSTLE</u> Sold for 10x the sire fee in 2017. Outran his odds despite many traffic problems. Ran 7 wide in last but managed 4th after being in a tough spot and checking early. Off slow 2 back when 2nd to the top choice in a stakes. Really strong 5F workout (6th of 48) for this. A) 6 B) 1,3,4,5,8,9,11 C) 2,7,10</p>	<p>8 GULFSTREAM PARK R13 (5:40 CT) 25 MDN CLM 20K, 1M TURF</p> <p>7 JUST KITTEN YOU 9-2 1 WINK AND A NOD 7-2 4 WHEELER FORTY FIVE 15-1 3 HIJACKER 6-1</p> <p><u>PICK: 7 JUST KITTEN YOU</u> Really has run well enough in every start to take this very weak race. Claimed out of his most recent start, goes to a lower win rate team, including rider. He doesn't have to do more than he's done already. Draws in a good spot. Should be running on late today.</p> <p><u>VALUE: 4 WHEELER FORTY FIVE</u> Just a 12k purchase in 2017 so this low level spot is ok. Drew the impossible 12 post last out and was wide. Positive rider move and a better post draw. He comes in with slow work over the turf which might indicate he is ready to fire. Trainer having a good meet. A) 1,7 B) 3,4,5,6 C) 11,12</p>
