He made up a lot of ground in the final furlong to win at 9-1. Been working well since (big clocker report for the 8/25 drill). Can win right back. He's been nibbling vs higher class for a while. The win was the first time going long on dirt. Trainer 5 wins 20 starts 1<sup>st</sup> off claim. Good trip likely.                  VALUE: 2 ARCH ANTHEM                  Never been on the dirt but pedigree says he should handle it just fine. Has been working well on dirt since last. Should be a fast pace and he'll be closing into it. Rider up for both wins. This one took action last out. He'll take more today. Improves.                  VALUE: 9 MEDIA BLITZ                  Not impressed with many of them in here with experience. It might be the right spot for 1st timer. The dam won 600k on grass. Trainer was 2<sup>nd</sup> with a similar first timer on turf last month.                  A) 3,8,9 B) 6,10 C) 1,4,5</p>

Works are ok but clockers are slightly cool for Baffert firster. Check betting.                  VALUE: 6 I'M THE HERO                  She just hated the inside post in that first start. Missed the break two back at CD but looked great in the win here in last start. Runner-up in there was 2<sup>nd</sup> by a nose in opt clm Sat. Great works.                  VALUE: 4 ORIGINAIRE                  Other Mullins here and he has Smith up. Strong late run to win in his 1<sup>st</sup> So Cal start in last at 7-1. Third last start came back to win two times, both by a nose against opt clm. Must respect. One of those was the 15-length winner, Leucothea. Debut was decent from wide 10 post.                  VALUE: 8 ITSTHATTIME                  Was the 2-1 favorite in the debut but did very little. The connections didn't waste any time gelding him. He's not in with much here and improvement of any kind puts him in win mix here.                  A) 6 B) 4,8,9,11 C) 1,2,7</p>
