He ran 4th in a key race. The winner came back to win the G3 Palm Beach. The runner-up in there won an opt clm and then was beaten 1 in a 75k stakes at TAM. Bred to like the turf.</p> <p><u>VALUE: 3 SHAZIER</u> Going to look past his last start which came on the dirt. Was gaining on the top two late in the turf start two back and a similar effort would be right there today. Big rider move to Albarado. Won over this track to break his maiden last Sep. Will get the pace he needs.</p> <p>A) 2,3,7 B) 1,8 C) 4,5</p>	<p>12 GULFSTREAM PARK R12 (5:48) 66 OPT CLM 62K, 6F DIRT</p> <p>5 TIMBER GHOST 9-5 7 HE HATE ME 9-2 3 GOTTA GO 6-1 1 IMPACT PLAYER 7-2</p> <p><u>PICK: 5 TIMBER GHOST</u> Comes out of a key race. Show finisher won a 40k at AQU two starts later. 4th from there won an opt cl 62k by 7 next. 5th was Killybegs Captain, won the Pelican and was 2nd to the G1 type Flameaway in the Challenger at TAM Sat. Trainer 6 for 22 off layoff in op clm here.</p> <p><u>VALUE: 7 HE HATE ME</u> Broke from the 10 post in last and made an early move before flattening out late. Might not have wanted the softer, wet ground. He won the Tremont at Belmont in 2017 so the talent is there. Strong worktab for a trainer who normally works them slow. Saez is up.</p> <p>A) 3,5,7 B) 1,4 C) 2,6</p>	<p>13 GULFSTREAM PARK R13 (6:24) 59 OPT CLM 62K, 6F DIRT</p> <p>1 ALL ABOUT HAY 9-2 2 SNELL FLICKA 8-5 3 HOT FUDGE HONEY 7-2 6 GRANDMARY 6-1</p> <p><u>PICK: 1 ALL ABOUT HAY</u> Finished just over 3 behind the morning line favorite Snell Flicka in last. But that was at a 5.5F distance. Closer gets one more furlong today. Passed 5 runners in that race. Rider is looking for his first win and has a shot to do that here. Main danger to the ML favorite.</p> <p><u>VALUE: 3 HOT FUDGE HONEY</u> Came on ok for 3rd despite a 5 wide trip last time out. That was a similar field to this one and she was competitive there. Gets one of the top riders back up as he was on her last out. Faced better in prior starts and hit the board a few times. Looks like a 3-horse race.</p> <p>A) 1,2,3 B) 6 C) 5,8</p>
