PICK: 6 DROP KICK
 He's been popular in the claim box (4 times in his last 7 starts). These connections had him on the grass in last and he is 0 for 2 on that surface now. He's 8 for 9 in the money on a fast dirt course. Seems there will be a decent amount of speed to set him up late.

4 TITOCCHIP
 Shipper from Hastings in Canada where he was middling against high level company out there. Last time he ran at GP was with this trainer and he ran 3rd in a 60k stakes at 7-2 odds. He won in opt clm 50k in the race prior. Is worth adding under in the exotics.

VALUE: 4 TITOCCHIP
 A) 6 B) 2,5 C) 1,3,4

8 GULFSTREAM PARK R8 (5:06) 67
 SKIP AWAY 100K, 1M 3/8 DIRT

7 ROCKETRY 5-2
 3 ZULU 3-1
 4 BIBLICAL 8-1
 1 REALM 6-1

PICK: 7 ROCKETRY
 Moved off the turf and is 2 for 2 on the dirt with 100 Beyers in both starts. Clearly likes the longer distances. Doesn't hurt getting Castellano up for this. Runner-up from last ran 2nd in the G3 Native Diver next. He was then 3rd in the G2 San Antonio afterwards.

VALUE: 4 BIBLICAL
 Pletcher runner cost 800k back in 2016 but hasn't lived up to that price yet. Nice win in last that looks ever better considering how far behind he was from very slow fractions. Blinkers were removed for that start. Might be turning the corner off a career best run.

A) 3,7 B) 1,4,5 C) 2,6

9 GULFSTREAM PARK R9 (5:38) 76
 APPLETON-G3 100K, 1M TURF

4 HAWKISH 2-1
 9 DOCTOR MOUNTY 3-1
 2 DR. EDGAR 10-1
 5 KRAMPUS 4-1

PICK: 4 HAWKISH
 Classy and turfy pedigree. Second Dam is Memories of Silver, multiple G1 turf winner for this trainer. Love his sustained worktab for this. Toner is 5 for 14 (36%) with a return runner on the turf of this length. Ortiz was up for two wins in the two mounts on him.

VALUE: 2 DR. EDGAR
 Comes in with 4 wins in his last 6 starts and one of the defeats came by a neck at 10-1. Certainly gets a test for class today but his numbers are in line with other contenders in here. Has the kind of tracking speed that makes him dangerous. Leparoux back up.

A) 4,9 B) 2,3,5 C) 6,7

10 GULFSTREAM PARK R10 (6:08) 84
 ORCHID-G3 100K, 1M 3/8 TURF

9 SANTA MONICA 1-1
 1 MAROUBRA 12-1
 2 A. AZULA'S ARCH 20-1
 8 KALLIO 6-1

PICK: 9 SANTA MONICA
 The thing that makes Chad Brown so tough in spots like this is that he has so many turf runners who can run with better. He often has to run them in G3 company when they can run in G1 or G2. Beaten by an Arg-bred Motion runner in last but a stand out here.

VALUE: 1 MAROUBRA
 Don't know much about this trainer who is 0 for 28 but she did have a runner ship in from France run a closer 4th at 20-1 in a G2 here earlier this month. That filly looked a lot like this one. Gets L1, Leparoux for her first US start. Faced better overseas lately.

A) 9 B) 1,2,7,8 C) 3,5,6

11 GULFSTREAM PARK R11 (6:38) 71
 MDN CLM 20K, 1M 1/16 TURF

1 PATCHWORK KITTEN 5-1
 8 ABJURE 4-1
 2 MISS ANTONELLA 8-1
 6 ROSA STAR 7-2

PICK: 1 PATCHWORK KITTEN
 Trainer has had just one debut maiden clm here at GP on the grass. It came exactly 1 week ago, for this same owner, and it was a 9-2 win over 11 runners (runner-up was 5 clear of the rest). The work pattern on that winner was nearly identical to this runner.

VALUE: 2 MISS ANTONELLA
 Awful start in both of her two races. Broke dead last in the debut when she slammed the starting gate. Moved to the grass in last in the common race on March 1st. She hit the gate again finishing 6th of 9. Blinkers off in here and a new rider up. Worth a glance.

A) 1 B) 2,4,6,8 C) 3,7,9,11
