The 1st and 4th place finishers returned to win (for 30k and 8k). 4th won again for 15k and was beaten just 2 in an opt clm 25k at TP. So the race has come up strong. Good speed rider.</p> <p><u>VALUE: 7 JULIET'S MUSIC</u><br/>                     She could be dangerous in here on the huge class drop. She showed good speed in most recent start before tiring at 15-1. Notice the only fast dirt track she was on (2<sup>nd</sup> race) was a winning effort in MSW company at PRM at 4-1. The trainer due to heat up at some time.</p> <p>A) 4 B) 3,5,7,8 C) 6,9</p> | <p><b>4 OAKLAWN PARK R4</b> 62<br/>MSW 77K, 6F DIRT</p> <p>4 ZIPPY LOU 8-5<br/>                     5 PORTION 6-1<br/>                     10 SAVEDBYANANGEL 5-1<br/>                     3 LIL TATER 8-1</p> <p><u>PICK: 4 ZIPPY LOU</u><br/>                     Trainer normally wins at a high percentage but hasn't had a quick start to the meet. He has been in the money 10 of 17 however. He puts her in a statebred race for the 1<sup>st</sup> time. Has a strong set of workouts for the return and Cox has his top call rider up in this one.</p> <p><u>VALUE: 5 PORTION</u><br/>                     Another who faced strong open class at CD in her last start. The runner-up from debut at CD came back to win a MSW here opening weekend (68 Beyer) at 4-1. Third came back to run a close 2<sup>nd</sup> in MSW at GP. Rider rode a 21-1 winner trainer last Sat. Very good drills.</p> <p>A) 4,5 B) 3,8,10 C) 2,6,7,12</p> | <p><b>5 OAKLAWN PARK R5</b> 35<br/>MSW 77K, 1M 1/16 DIRT</p> <p>7 REELFOOT 7-2<br/>                     1 ROYAL MESA 12-1<br/>                     8 ZOOMER 8-1<br/>                     3 JEANS N' BOOTS 15-1</p> <p><u>PICK: 7 REELFOOT</u><br/>                     Last looks a lot better after the winner came back to win the G2 Holy Bull at GP at 30-1. 5<sup>th</sup> won a MSW at FG recently. Half to 2 runners who won G2's. Blinkers on for the first time in here. May have bled in debut (race where 3 of these were in. He had to alter out in last.</p> <p><u>VALUE: 1 ROYAL MESA</u><br/>                     1996 Grade 2 Jim Beam winner, Roar, who was best going long is in the female tree. He caught a strong field in the debut. Winner ran 3<sup>rd</sup> by a half in the Smarty Jones at 12-1. Trainer adds blinkers, Alex Birzer today. Will be able to ride the rail bias around the track.</p> <p>A) 1,7,8 B) 2,3,6 C) 4,5,9</p> |

Only time this one dropped into clm company produced an easy win at RP in the race two back. Winner of last ran 4<sup>th</sup> by 3 in a strong opt clm here a week ago at 26-1 odds.</p> <p><u>VALUE: 7 PAPA CALIENTE</u><br/>                     Has a couple of races that would put him in the mix in here. He went wire to wire vs 12k company four back and while that was a bit cheaper company, it was a huge run on the Hawthorne track that wasn't favoring speed that day. Game defeats 2n dn 3 back. Price.</p> <p>A) 1,2,7 B) 6,8,9,11 C) 3,4,5</p>                   | <p><b>7 OAKLAWN PARK R7</b> 72<br/>KING COTTON 100K, 6F DIRT</p> <p>5 HEARTWOOD 3-1<br/>                     1 WILBO 7-2<br/>                     2 BOURBON COWBOY 8-1<br/>                     8 BALANDEEN 4-1</p> <p><u>PICK: 5 HEARTWOOD</u><br/>                     He's kind of been a second tier sprinter vs the best in the country and he has outrun his odds with them quite often. He's been off poorly in a few starts and been in tough spots in others. Only 3 behind some of the best sprinters 4 back. 1:10B drill coming in.</p> <p><u>VALUE: 2 BOURBON COWBOY</u><br/>                     Diodoro had this one entered in a 75k TUP stakes as well today but opts for this spot instead. Thought he was game in defeat in the last two starts at TUP and was sharp at Canterbury Park last summer. Has speed but does his best running just off the pace.</p> <p>A) 1,5 B) 2,8,9 C) 3,4,6</p>                              | <p><b>8 OAKLAWN PARK R8</b> 60<br/>ALLOWANCE 78K, 6F DIRT</p> <p>2 MIZ K 6-1<br/>                     3 HIGHLAND LASS 3-1<br/>                     9 SPRINGDETTI 5-2<br/>                     6 GOOD CREATION 10-1</p> <p><u>PICK: 2 MIZ K</u><br/>                     Connections had G1 winning dam as well as the G3 winning 2<sup>nd</sup> dam on the female side. Comes off one of her best races on the drop back to 6.5F in last. The winner got an easy trip pressing slow pace and ran 2<sup>nd</sup> 2 weeks ago vs opt clm 50k at 8-1 here. Gets the trip.</p> <p><u>VALUE: 3 HIGHLAND LASS</u><br/>                     Must keep an eye out for this trainer. Has 2 wins at the meet and both were well-meant and bet hard (especially early). Looks like a private purchase after last. She didn't want the grass (not bred for it) but ran well on dirt prior. Really strong worktab over this track.</p> <p>A) 2,3,9 B) 1,5,6 C) 4,7,8</p>      |
| <p><b>9 OAKLAWN PARK R9</b> 74<br/>MDN CLM 40K, 6F DIRT</p> <p>9 HEY PREZ 10-1<br/>                     11 INDUSTRIALIST 9-2<br/>                     10 AUGIE 3-1<br/>                     8 INTO MY DREAMS 15-1</p> <p><u>PICK: 9 HEY PREZ</u><br/>                     Drop makes sense after an 8<sup>th</sup> place run last time out. Quite the key race he came out of as 10 of the 12 have returned and all by two won since (8 won twice). Gelded since most recent start and works are very good. Upset chance in a very evenly matched field here.</p> <p><u>VALUE: 8 INTO MY DREAMS</u><br/>                     Deep closer going long comes back with the blinkers added, cuts back in distance and is working very well. This track is playing those that show speed so he'll have to get into this early on. Might sit on the rail where many of the winners have come from. Bred to sprint.</p> <p>A) 9,11 B) 5,7,8,10 C) 1,2,4,6,12</p> |  |  |  |
