But 2 of his last 3 losses came to runners who won stakes next. Winner of last is in the Lewis next race. Came back w/ sharp works. Mandella at 23% at the meet.</p> <p><u>VALUE: 9 MO RESERVE</u>                  Showed speed in the debut but stopped at 12-1 odds. Baze was up for the move to the route in last and he carried his speed a lot longer in good run. Nice drills with a sharp move in company with the stakes winner Vyjack 6 days ago. He may like a wet track.</p> <p>A) 5 B) 4,7,8,9 C) 1,3</p>	<p><b>6 SANTA ANITA RACE 6 (2:53 PT) 88</b>                  ROBERT LEWIS-G3 150K, 1M 1/16 DIRT</p> <p>5 MUCHO GUSTO 8-5                  4 GUNMETAL GRAY 9-5                  6 NOLO CONTESTO 5-2                  2 MAGNIFICENT MCCOOL 8-1</p> <p><u>PICK: 5 MUCHO GUSTO</u>                  Only 1 runner has been in front of him in 3 starts and that's undefeated Baffert trained Improbable who looks like a serious Derby contender. 2<sup>nd</sup> gen in female tree includes 1.5M winner Peaks and Valleys (\$1M Molson Million in '95). Baffert won this race 6 times.</p> <p><u>VALUE: 6 NOLO CONTESTO</u>                  Hard to tell what he beat in the MSW in most recent start. The runner-up has burned a bit of money as a beaten favorite 4 straight to start his career but the top two were 8 clear of the field. Lost iron in the debut. The best runner in the tree is BC Sprint show finisher.</p> <p>A) 5 B) 4,6 C) 2,3</p>

Baffert won this race 5x. Smith has been aboard all 7 starts. 13 post no matter in the Malibu, he ran and hid from them. Only to run back was 8<sup>th</sup> Kanthaka who ran 2<sup>nd</sup> at 6-1 in the G2 Palos Verdes to Roy H. Expecting he improves with distance.</p> <p><u>VALUE: 5 GIANT EXPECTATIONS</u>                  Hasn't won in over a year. He beat a superb field in the San Antonio in Dec '17 including Accelerate. 5<sup>th</sup> in the BC Dirt Mile looks a bit better after City of Light dusted the Pegasus field. 7<sup>th</sup> by 18 (Trigger Warning) won a 250k stakes at MVR next. Needs to break better.</p> <p>A) 7 B) 1,5,8 C) 2</p>	<p><b>10 SANTA ANITA R10 (4:53 PT) 65</b>                  CLM 12K, 5.5F DIRT</p> <p>5 ISEE IT IN HIS EYES 4-1                  10 CAYATE 3-1                  1 CANDYMAN GARRET 7-2                  4 DAS BEAR 8-1</p> <p><u>PICK: 5 ISEE IT IN HIS EYES</u>                  Hasn't been under 5-1 in last 8 starts. He's run well enough in those starts to win this. Winner got an easy lead and drew away in last on a speed favoring track. 4<sup>th</sup> won allw at LA at 3-1 next. Winner 3rd by a half vs 25k next. Has enough speed to stay close early.</p> <p><u>VALUE: 4 DAS BEAR</u>                  Was 7-1 in the debut at TUP and after a slow break he closed well for 2<sup>nd</sup> well in front of the third place finisher. Won a key race at EMD next. Runner-up has since been close in stakes at EMD. Was working at TUP but is at SA facing tougher. Must be working well.</p> <p>A) 1,5,10 B) 4,7,9 C) 6,11</p>
<p><b>7 SANTA ANITA R7 (3:23 PT) 40</b>                  MDN CLM 30K, 7F DIRT</p> <p>3 CALDER VALE 6-1                  6 MINISTERSDON'TLIE 6-1                  9 R B EYE 7-2                  8 ROYAL ASPIRATIONS 6-1</p> <p><u>PICK: 3 CALDER VALE</u>                  Has run a good race, bad race every other time out lately. No real excuse in last but at least the 8<sup>th</sup> place finisher who was right in front of him came back to run 2<sup>nd</sup> a head at 50k maiden claiming at 55-1. 4<sup>th</sup> two back won a turf MSW at SA at 8-1 next time out.</p> <p><u>VALUE: 6 MINISTERSDON'TLIE</u>                  Has had just one start and it was a flat 7<sup>th</sup> in a similar spot on an off-track at Del Mar. He did have some traffic trouble after slow from the gate. 9<sup>th</sup> place finisher came back to run 2<sup>nd</sup> at 8-1 vs similar at LRC. Last two drills were nice. Doesn't have to be much.</p> <p>A) 3,6,8,9 B) 1 C) 2,5</p>	<p><b>8 SANTA ANITA R8 (3:53 PT) 66</b>                  MSW 55K, 6.5F DIRT</p> <p>4 PARSIMONY 6-1                  5 MY MANDATE 3-1                  1 TIME IS NOW 5-1                  8 NORSKI 6-1</p> <p><u>PICK: 4 PARSIMONY</u>                  Ran well in both dirt starts here to start his career. Those were at the 5F distance. That may be a bit shorter than he wants. Added blinkers next. O'Neill removed them after. Route 2 back vs G3 Sham winner Gunmetal Gray. Sharp works. Is looking for right spot.</p> <p><u>VALUE: 8 NORSKI</u>                  Two best finishes came on a wet surface. If the track is wet on Saturday he should be moved up a bit. Outran his odds in all four of his stars for trainer Hector Palma. He got in tight 2 back, cost him a bit better finish. If the track is playing to closers, he can win.</p> <p>A) 1,4,5 B) 6,8 C) 2,3</p>	<p><b>9 SANTA ANITA RACE 9 (4:23 PT) 92</b>                  SAN PASQUAL-G2 200K, 1M 1/8 DIRT</p> <p>7 MCKINZIE 4-5                  5 GIANT EXPECTATIONS 12-1                  8 BATTLE OF MIDWAY 5-2                  1 PAVEL 8-1</p> <p><u>PICK: 7 MCKINZIE</u>                  No suspense here.
