SUMMING, reserved into the backstretch, moved through along the inside to take over while still well in hand just after going six furlongs, sprinted away when ready when leaving the far turn, settled into the stretch with a good lead and turned back HIGHLAND BLADE under strong handling. The latter, unhurried while being outrun into the backstretch, settled suddenly approaching the far turn, raced wide into the stretch while rallying and finished strongly. PLEASANT COLONY, fractious at the gate, was outrun into the backstretch, quickly reached contention while racing well out in the track nearing the far turn, remained a bit wide into the stretch and finished with good energy. WOODCHOPPER passed tired horses while racing wide. ESCAMBIA BAY, well placed into the backstretch, made a run between horses nearing the far turn but was finished after going nine furlongs. TAP SHOES moved up between horses approaching the end of the backstretch but gave way soon after going a mile. PARISTO, in hand early, split horses to gain a momentary advantage midway along the backstretch but was finished soon after going a mile. BARE KNUCKLES stumbled slightly after the start, recovered quickly to show speed into the backstretch and tired badly. SEZYU tired badly from his early efforts. STAGE DOOR KEY, prominent into the backstretch, stopped badly. BOLD EGO, a forward factor until near the end of the backstretch, stopped badly.
