 CLOSER LOOK All three wins were at different venues so he has a shot to take to Maryland racing; he does have some semblance of speed but hard to see him clearing today; the Tampa win was decent as the place horse that day chased Good Magic in the Blue Grass and the 4th finisher took the Wood before beating half the field home in the Derby; not sure the Arkansas Derby was any great shakes though as the winner that day was 2nd to last to Justify 2 weeks ago; this one could push the issue but hard to see him around at crunch time.

 CLOSER LOOK The third and 6th finishers in the Louisiana Derby won next out including My Boy Jack, who took a ton of action Kentucky Derby Day and finished a closing fifth; Amoss generally doesn't overmatch his stock so fact he continues here after running 8th says something; note the show horse March 24 was nearly 8 clear; this racer got the perfect 2-hole trip in the sloppy sprint maiden breaker and he was off poorly in the 2nd start this year; there are some questions after just the one win; can he get the trip?; his sire could run all day long; his dam was 0 for 9 but she was a sibling to over \$400K earner Altesse, who took the 9-furlong Turnback the Alarm; and the dam is also a sibling to over \$300K earner proven router Where's the Moon.

J/T 2017-18(26 .12 \$3.04)

CLOSER LOOK This youngster got good for about 6 weeks last year; both wins came sprinting and he losing ground in both of those wins; even the day he was third this year he was losing a bit of ground late; this racer does have sneaky speed, is coming off a troubled trip and one thing we all have learned over the years is that you can never dismiss a horse attached to Hall of Famer Lukas; Lukas had the 2013 Preakness winner that paid over \$32; would expect this one to have the rabbit duties of the pair from this barn.

CLOSER LOOK Must respect his consistency; the only off effort came when he dropped Pennington; colt has much more speed then he just flashed and note the show horse in last was over 3 clear; he was tiring a bit in the last Graded attempt but he has shown he can retain his form; the Tesio has been a solid prep over the years in this race as far as getting into the gimmick.

CLOSER LOOK With the forecast for showers at Pimlico on Saturday, players will need to factor running style and previous off-track form and it may be a case of the rich getting richer here as this emerging star adores the off going; even the parking lot valets knew about this runner in the 1-2 winning debut and colt showed he could adapt and handle adversity repeatedly; in the SA Derby, he just took no prisoners; and considering all the speed in the Kentucky Derby, this racer made it look pretty easy; he tracked and fast pace and just kept going; looking at a very short price to garner that second jewel of the Triple Crown.

CLOSER LOOK Bothered early at Churchill last time, he could have just thrown in the towel but he put his head down and tried; he may not have adored the off going though and that could come into play here; his versatility could be his best asset; he has shown his grit repeatedly and may not taken to the rail in the Louisiana Derby; the concern about the Louisiana Derby is he was trying to lug out and that's seldom a positive good sign; this one is looking at a press and kick kind of a trip; even if he duplicates his top career Beyer, that will not likely be enough to get unslated.
