The dam, a \$1.2 million earner and G1 type, made her mark in the early '90s by winning her first 6 races. Trainer DeVaux has a strong record, winning 4 of her last 6, with first-timers in dirt sprints with similar works from PMM. Check tote.</p> <p><b>VALUE: 4 CLICQUOT</b><br/>Might be one to watch when moving to turf later given her classy female turf pedigree. Clocked an impressive 59 flat on the dirt at PMM a few weeks ago and also had a quick 47 flat from the gate after that. Plus, she's got a main rider aboard for this. She looks live in this spot.</p> <p>A) 7 B) 4,6,8,9 C) 2,3,5 D) 1</p> | <p><b>2 – GULFSTREAM PARK (12:00 ET) 44</b><br/>OPTIONAL CLAIMING 96K, 1M TURF</p> <p>5 MOUNT HOREB 5-2<br/>7 ROTHSCHILD 8-1<br/>3 CLEVER MISCHIEF 3-1<br/>9 DOMINGO 8-1</p> <p><b>PICK: 5 MOUNT HOREB</b><br/>5YO gelding ran very well in the last two turf starts after a romp in a MSW at WO on the polytrack. That 1M time in the runner-up finish last out here was legit. 2 races later the Ginger Brew stakes was run at 1:34.2. The 3<sup>rd</sup> and 11<sup>th</sup> place finishers won next start. 2<sup>nd</sup> and 3<sup>rd</sup> from the start two back won in opt clm next. Sharp worktab.</p> <p><b>VALUE: 7 ROTHSCHILD</b><br/>Purchased for 700K in 2022, this horse was privately sold after fading in the G1 Hollywood Derby last Nov at Del Mar. May have bled during that race, as Lasix has been added to his regimen. Despite this, he has shown graded stakes quality. Is working well for a sharp team.</p> <p>A) 3,5,7 B) 9,11,14,15 C) 1,4,10 D) 12,13</p> | <p><b>3 – GULFSTREAM PARK (12:30 ET) 74</b><br/>OPTIONAL CLAIMING 97K, 7F DIRT</p> <p>3 SPEAK EASY 8-5<br/>5 CLASSIFY 5-2<br/>4 DREAMING OF KONA 12-1<br/>1 INTO PLEASURE 9-2</p> <p><b>PICK: 3 SPEAK EASY</b><br/>Impressive Constitution colt was superb in his first 2 starts. Pletcher had him in the G1 Jerkens at Saratoga next, but he faded. Could be due to tough competition, absence of Lasix, or other factors. But don't overlook him here. Pletcher 50% with horses off a layoff of this type at GP when sprinting on dirt at odds of 5-2 or less.</p> <p><b>VALUE: 5 CLASSIFY</b><br/>It's hard to overlook anything that Saffie Joseph sends out at GP, or anywhere else for that matter. This horse was in the money in 9 consecutive races. Jockey Saez was aboard for the win two starts back, and a similar off-the-pace style could be advantageous in this event.</p> <p>A) 3,5 B) 1,4 C) 2,6,7 D)</p> |

Third-place from that race went on to finish third in the BC F&amp;M Juv Turf (later won the Ginger Brew here). Faced a tough challenge with a 13 post in the BC, resulting in a wide trip. Female family of G1 millionaire turfer Centre Court. She looked strong with an easy win in the Sweet Chant.</p> <p><b>VALUE: 7 DAISY FLYER</b><br/>Nice win at Kentucky Downs two back. She was nearly 9-1 but overcame a wide trip to get her head down for the win. The runner-up won a MSW on the grass at CD next. May not have loved the rail in the Grade 2 last out. One winner was a 31-1 longshot for this ownership group. Consistently makes a late push in races. The female family produced a G1 turfer named Yesterday. Shown good speed in morning turf drills and will be adding blinkers, along with jockey Dylan Davis.</p> <p><b>VALUE: 10 GREEK ORDER</b><br/>He arrived from overseas for high-profile owners. He had a difficult trip as the favorite in an allowance race at KEE two back. Despite that performance, trainer Bill Mott entered him in the G2 Man O' War. His winners had live, bullet works deeper in the worktab, like this one. Drilled a :10.1 at the 2023 KEE sale. This is one of the higher percentage owners for Saffie Joseph. Rail is only issue.</p> <p><b>VALUE: 3 HARBE</b><br/>Experience means a lot in these races. This one was 2<sup>nd</sup> in the debut at nearly 10-1. He chased the pace there and hung in gamely for the runner-up spot. Saez is off to ride for Cox but 26% rider (for Crichton) is up. Had traffic to overcome two back in the Tampa Bay Downs win but did just that and drew away from that field. Good effort in the 150k last out when beaten just two. Adding Dylan Davis is a plus for his chances. Think he falls into the ideal spot today.</p> <p><b>VALUE: 10 SMOOTH BREEZE</b><br/>Just three career starts. He won at 12-1 in the debut at Saratoga vs. NY-breds last August. Not sure he loved the yielding turf in the G2 Pilgrim but thought he was decent when 4<sup>th</sup> at 15-1. The Street Sense filly dominated 2 of last 4 wire-to-wire. In between, she came from midpack to secure a G3 victory at CD. Showed impressive form beating a strong field at TAM in her last outing. Improves in her 2nd off a layoff.</p> <p><b>VALUE: 6 BALLERINA D'ORO</b><br/>This filly has had just one start on the dirt. It came in a G2 at AQU last time out. It was her first start in blinkers and she drew the widest 10 post. Despite that, she was a fast closing 2<sup>nd</sup> (clear 3<sup>rd</sup>). May have moved a tad soon into a fast pace to hold the rail position in there. Took a 500k stakes at CD last year w/ Gaffalione (who is back aboard). Beaten a neck in the only start over this track. That was in a 150k turf stakes.</p> <p><b>VALUE: 5 SILENT HEART</b><br/>He went 1:31.4 for 1 mile on this grass course last time out. That was just 2/5 off the track record. As there was just one other turf race (a claimer where they went 1:34 flat), it's hard to know how legit that time is. This sire won over \$2M for this trainer/owner. A bullet turf work.</p> <p>A) 1,4,5 B) 3,6 C) 7 D) 2,9</p>      |

**PICK: 2 BE MY SUNSHINE**

There really isn't much speed in this race. Someone is going to send to assume command. This is the likely mare to do that. Zayas rode her twice and he won both while forwardly placed each time. One of the wins was in a stakes at 9-1. Overall, this one is 3 for 6 on the GP turf course for a trainer hitting on all cylinders right now.

**VALUE: 6 WHATLOVELOOKSLIKE**

If Zayas doesn't go with the top choice, this is the one that will be the target. She likes to run up near the lead and has a race where she was the controlling speed. It is likely she'll move forward off the comebacker here last out when narrowly defeated. Pace will be the key.

Todd Pletcher is 15 for 24 (63%) with a runner who last out was routing in a G1 on the dirt and is coming back on a layoff of this sort. There is no doubt of the talent with this 600k purchase. The question is obviously with the layoff due to a bone bruise. Good spot for a return although it might be a tad short for him. Excellent drills.

**VALUE: 7 STEAL SUNSHINE**

Earned north of 660k so far in his career. Tried the G1 Pegasus World Cup and split the field at nearly 70-1 in the last start. Moves back to Paco Lopez who has had a lot of success aboard him. 6 of the 7 career wins are on this track. Figures to get pace to set up his late run.

Well-bred turf filly has not run a bad race on a firm turf course yet. Career win came two back at KEE winning the G2 Valley View. That was with Dettori riding and he is back today. Did not break well 3 back and might've moved a bit soon to the leaders there. Already has one win over top contender Pounce (in the Pen Oaks 5 back).

**VALUE: 6 OZARA**

Worst effort to date was 4<sup>th</sup> (out of 13) in the G1 Natalma in her second career start. Won 4 of 8 starts so far and was very unlucky to lose two back with Rosario up. She was steadied late there. Rider moved early into a quick pace 3 back and it cost her. Last serves as a nice prep.

Very possible this one gets overlooked in the betting in here. He is coming off a layoff, with a wide draw, and is going long for the first time. But he is bred to run all day. His backbreeding suggests he'll relish the ground today. Toss the start two back in the G2. He stumbled badly from the gate. Works are sizzling for Dale Romans.

**VALUE: 2 SOVEREIGNTY**

Looked like a serious colt in the CD win last time. That was a pretty good field with G3 Southwest runner-up Sandman (also 3<sup>rd</sup> in G2 Rebel) in there. Mott trained the 2<sup>nd</sup> dam on the female side. She won graded stakes on both dirt and turf. Has been prepping since Xmas Eve.

Hasn't been helped by the post draws of late. Parked out wide in the 11 post last time out but overcame the wide trip to be in a head bob photo. Checked 2 back with a rail draw, and 5-wide trip. The G1 Turf Mile at KEE in the star 3 back included two next out G1 turf winners and a next out G3 turf winner. Much better post today.

**VALUE: 8 SUGOI**

Michael Maker has two in this race. The other has more speed and will likely press or set the pace. This one is going to set up shop right behind in 3<sup>rd</sup> and is expected to get an ideal trip. Two-time stakes winner since a 50k claim by Maker 7 starts ago. He won a G3 without Lasix.
