-------------------	---------------	--------------	-----------------------	------------------

Amateurs: Amateurs do not earn money. So there will be money applied for the pool depending on their finish. The low am earns \$50k whether they make the cut or not. If tied (both amateurs earn 50k). Any amateur that makes the cut gets additional 50k. Any amateur in the top 25 earns 100k. Any amateur in top 10 earns 250k. (Most money any amateur can make is 350k).

Money Won: A golfer has to make the cut to have money won applied to the pool. Often, players get a participation payout.
