Dr. Pleasure

Here's the first foal from Breeders' Cup Distaff winner Beautiful Pleasure (she a sister to Arlington Million winner Mecke), and he is certainly bred to adore the extra distance; love the 2 sprints to a route move in the third start of the form cycle, and he gained valuable experience in his first start against winners in the Cowdin; have to wonder if it's a case of too much too soon, but his connections are first-rate, and he should be running hard at the expected fast pace in front of him; have to think he has Classics potential next year if all goes well; loses Prado to Henny Hughes, but Santos will have him in gear in the final furlong; don't underestimate, but he's another that may offer best value in the bottom slots of the exotics.

Defending champion enters this off a G2 Oak Tree Mile effort similar to the one that propelled him to victory at Lone Star last year; looks to be entering this in top form and he rarely fails to fire from off the pace; our main concern is the outside draw over a course he's never tried, but he overcame those very obstacles to win last year's renewal.
