Alydar		2.60	2.40
Believe It			2.80

Affirmed away alertly but held in reserve for six furlongs, moved up boldly along outside thereafter to take command on second turn, relinquished the lead momentarily a quarter mile out but responded to a rousing ride to regain command in upper stretch and was fully extended to hold Alydar safe. The latter, under snug restraint early, commenced to advance from the outside after six furlongs, continued wide into the stretch, swerved in to bump with Believe It in closing sixteenth and finished strongly when straightened. Believe It reserved off the early pace, moved up with a bold rush while bearing out a second turn to gain command momentarily a quarter mile away, continued wide while lacking a further response and was bumped by Alydar in the closing stages. Darby Creek Road lacked speed and hung after making a rally on the final bend. Esops Foibles faltered after making a mild bid on the second turn. Sensitive Prince sent to the fore on rounding the first turn, continued to make a swift pace while along the inside to final bend where he gave way suddenly. Dr. Valeri was without speed. Chief Of Dixieland was bumped about before going a quarter mile. Raymond Earl showed brief early speed and tired badly. Special Honor reared at the start.
