Announcing

—a practical five-day program for Canterbury Downs racegoers—

"EFFECTIVE HANDICAPPING TECHNIQUES"

—presented by— **James Quinn,** author, "The Handicapper's Condition Book"

July 16-20 **Thunderbird Motel** Tu-Th-Sat 7:30-10 p.m. Wed-Fri 8:00-10 p.m.

The following program has been prepared with newcomers in mind. It is based on well-established facts and techniques; no gimmicks. Experienced handicappers who have not kept up with the literature can also benefit. The techniques are basic, easy to apply, and depend on no more information than the past performances of Daily Racing Form. Handouts provided. Some practice; please bring next day's Racing Form. The final session also introduces the crucial concepts of money management. Plan to attend.

Tuesday, July 16	**"Speed points**	how to predict the early speed and pace
Wednesday, July 17	**"Form defects & form advantages"**	how to evaluate current form
Thursday, July 18	**"Class appraisal"**	how to recognize horses well-suited to the class demands of the conditions; key races
Friday, July 19	**"Pace analysis"**	how to use an elementary arithmetical technique to obtain pace ratings
Saturday, July 20	**"The facts and stats of handicapping**	key probabilities and statistics of handicapping

—**Plus** an annotated bibliography of the handicapping literature and the author's pocket guide to the races.

Fee $88 per person (include all sessions) Enrollment limited: 120
Couple's fee $149 First come basis.

To Pre-Enroll, call desk at Thunderbird Motel at 854-3411, ask to sign-up for Quinn Handicapping Seminars. Pay at door, Tuesday, July 16, beginning 6:45 p.m. Don't miss it!
