<p>CANTERBURY PARK RACE 1 (4:40) 44 MSW 30K, 4.5F DIRT</p> <p>7 ROVERTON 5-2 6 PASSTHECAT 3-1 3 HISMUDDAWASAMUDDA 4-1 4 SHE GLITTERS 5-1</p> <p>PICK: 7 ROVERTON Not much to go on here as everyone is a first timer and only three trainers even involved. Rengstorf has been on fire at this meet. He has just one win with nine first timers for this owner. Bred to be a win-early sort on both sides of the tree.</p> <p>VALUE: 6 PASSTHECAT There was a time when this trainer was a proficient type with debut 2 YO's. He had runners like Careless Navigator win their debut before dominating in sprint stake races. This is a 19k purchase. Will be fast. A) 6,7 B) 3,4 C) 1,2,5</p>	<p>CANTERBURY PARK RACE 2 (5:10) 68 CLM 7K, 5F DIRT</p> <p>5 SIOUX VALLEY 9-5 2 PURPLE MONSTER 7-2 7 RAJA'S APPEAL 9-2 1 SEANSHINE 5-1</p> <p>PICK: 5 SIOUX VALLEY Not easy to claim off of Robertson. This one was claimed by 4% trainer last Sep. While this trainer is a low % type, he had just two off a long layoff and return at under 10-1. He won and was close third in other. Wins for fun if he's ready to go.</p> <p>VALUE: 2 PURPLE MONSTER He's a live runner in a race on Monday so check to see if he runs there. This is a lot easier spot for him and would be one of the main win players. Winner in last won back for 12k clm at Tampa by 8 lengths. A) 5 B) 2,7 C) 1</p>	<p>CANTERBURY PARK RACE 3 (5:40) 51 CLM 4K, 1M DIRT</p> <p>5 TROPHY BRIDLE 9-2 7 ANGELINA'S HEAVEN 5-2 1 A KISS GOODNIGHT 5-1 4 BANKER NITA 8-1</p> <p>PICK: 5 TROPHY BRIDLE Came from Sam Houston and was 13-1 in a strong opt clm race. She stumbled at the start and just couldn't catch up after that. 5th (Council Rules) won back at this level on Wed. Winner 3 back is a very good multiple stakes winner now.</p> <p>VALUE: 4 BANKER NITA Connections tried her on turf here two weeks ago. She really doesn't have any turf blood so that flat effort should be tossed. Nice run through three Fonner Park races. Better than we saw last out. This one was in a good MSW in debut and had a difficult 1st furlong. Steadied, checked. Sib to a Mn-bred allw winner, May We All.</p> <p>VALUE: 1 SERYY Trainer just 1 for 26 off of long layoffs and the winner came back on 190 days while this one has been off a year and a half. Has run the best and facing little here. Must use him (at least defensively). A) 1,8,10 B) 2,11 C) 5,9,12</p>	<p>CANTERBURY PARK RACE 7 (7:40) 68 OPT CLM 20K, 1M *OFF TURF*</p> <p>1 ALL UNDER CONTROL 6-1 6 J. This runner won 6 of last 13 starts and been in the photo 2 more times. Good record at this distance. 7th from his last start (Pine Grove Road) won at 4-1 here last wed opt clm at 12-1.</p> <p>VALUE: 6 J. E.'S HANDMEDOWN Ark-bred stakes winner has faced very good runners at OP including the foe to his outside many times. Breeding more for dirt so move off turf today is positive. 8th from last won a 15k at PRM by 7 next. A) 1,6 B) 4 C) 2,3</p>	<p>CANTERBURY PARK RACE 8 (8:10) 77 MDN CLM 16K, 6F DIRT</p> <p>6 NEVERBLINK 2-1 2 MR. That runner had a similar worktab and was bet down to a 2-1 fav. Runner-up in last ran 2nd in mdn clm 20k at CD. Major class move today.</p> <p>VALUE: 2 MR. COUGAR Big closer will have more to do on this cutback in distance but has run best at sprints and doesn't catch a deep group here. Winner of last was well-meant at 5-2 who went wire to wire. Finishes late.
