A CLOSER LOOK

12th Saratoga

Speightscity

Grade 3-placed runner projects to be forwardly placed from the rail; obviously this is a major stamina hurdle exiting a long layoff to test a classic distance; Alpha handled him in last pair getting a negative 2-pound weight swing for this; the win rider lands on Golden Ticket; know him early but unsure about late.

Five Sixteen

Negative 6-pound weight break from Street Life when chasing that one in defeat; stakes-placed runner is a kin to stakes winner Doc's Doll (207K); races best when close to the lead and is in an event lacking much pace; his even-BEL-Stakes finish when handled by Atigun leaves him ranked a notch below the top contenders.

Golden Ticket

Grade 2-placed runner exits a key race; just missed vs. the winner from last who repeated in a PIM-100K stakes with an 87 Beyer speed figure; he defeated the 8th-place finisher a 79 Beyer MTH-MSW next-out graduate; working well off the long layoff but will be taking a wait and see approach.

12

Stealcas

Grade 3-placed runner has more than 4 lengths to make up on Nonios from the Haskell; he was seemingly out of the race down the backside but rallied well to pick up the minor award behind a very-impressive Paynter (108 Beyer) who he lost to by a neck margin in April but latest was a decisive defeat; loss to Neck n Neck 2-back; others appear more.

Street Life

The wet track produced his Beyer speed figure Top; hopes to avoid a bounce drilling the new career-Top number off a 48-day layoff and is back in 4 weeks for this; stakes winner is another who has landed behind some of these in the past and will have to prove his mettle on a fast oval today.

Alpha

Perfect on the SAR main track winning his career-debut here less than 1 year ago beating the show runner who Beyered 75 in his next-out CD-MSW win; latest over the track saw him post leisurely early fractions in his 1st race ever on the lead then outfinished similar rivals; projected that Speightscity is the one he will have to fend off early on the lead; lone start at today's distance in the Kentucky Derby should be dismissed because of a poor gate break vs. the next-out Preakness winner (109 Beyer); Grade 2-stakes winner is a kin to 221K-earner Numanny; projects to race on or near the lead in a race void of much other gate speed.

Atigun

That BEL stakes show finish looks so much better after Paynter toyed with the field in the Haskell with a 108 Beyer; latest over a wet track can be dismissed; 1st-time Smith riding with a one-run type who if he runs back to his BEL effort would fit well here.

Neck 'n Neck

Has been a new horse with blinkers on (2-for-5 including his biggest career victory); Grade 3-stakes winner's dam banked 111K; figures to stalk the gate speed here and hopes Alpha doesn't walk to the front again; hasn't done much wrong since the Florida Derby with all 3 wins on fast ovals; beat the show runner 3-back who Beyered 79 in his next-out CD alw. win.

Liaison

The main knock here is that he has 1 exacta finish and no wins in 2012; ran well in each of his last 2 main-track defeats including a 6th-place finish in the Kentucky Derby; reunites with the 3-time win rider; lone win was accomplished on a fast track but at 7F; Grade 1-SW is out of a stakes-winning dam (348K) who produced 106K-earner One Last Dance; wish he had more pace to rally into; receives a negative 6-pound swing from his synthetic-surface loss to Nonios in June.

Nonios

Very impressive in defeat 1st time racing on dirt without a published workout on the main track but he broke sharply then chased Paynter who ran out of his skin that day; Grade 3-stakes winner is a kin to SW City Cool (183K); 1st-time Johnny V who has sizzled this meet; only must overcome the wide post position draw; projects to stalk Alpha and Speightscity then should be tough to hold off late.

Fast Falcon

Definitely will like getting back on a fast track for this after beating one runner home in the slop when defeated by many of these; G2-placed runner is out of a Grade 3-placed dam (246K); view as an outsider off latest loss and now drawn widest he is sure to lose ground.
