Medaglia D'Oro

The favorite? Frankel is oozing confidence while Derby trip was near brutal; if you could guarantee us a first run, off the pace, trip then we'll be fighting off little old ladies to bet our 401k monies but this colt has always been part of the early fractions; even with the poor Derby trip, this guy has run huge races back to back to back and you just don't know if he'll run out of gas; OK, enough of the negatives, the good stuff is that he's trained by the best, ridden by the best, has the talent, and won't be too bad a price especially with War Emblem and a fairly full field to deal with; here comes the understatement of the year, major player.

Harlan's Holiday

Did he peak 2 or 3 races back? we'll get back to that in a bit, what if he simply hated Churchill? we know for sure that he didn't fire in the Derby but name us one closer that did? Medaglia d'Oro made up some ground but after that it was slim pickings; doesn't this runner have that burst of speed that usually works well in the Preakness? he won't be favored this time around; we guess it comes down to whether you think he's moving forward or backward; to us, he's only run one poor race so we can forgive any effort as long as the price is right; take a long look.

Easyfromthegitgo

Stalker or closer? he's got tactical speed against mere mortals but we doubt he'll be in the first group today; isn't that actually good if the fractions are as hot as we think they are? for a pure closer, yes, but for a stalker we're not so sure; let's say he gets the good trip, will the extra furlong be a problem? sire Dehere never raced beyond 8 1/2 furlongs while dam was untraced; nice to see Easy Goer on the dam's side but distance is still up in the air; losing to Repent nothing to crow about either; price and pace are solid but distance, form, and trip not quite so.

War Emblem

How can you knock the Kentucky Derby winner who ran a fast time? and is trained by one of the best? 2 words: lone frontrunner; lone frontrunner in his last 3 races even; but why is that his fault? remember Bertrand? he ran fast early and kept on going to the tune of 3.185 million with top Bayers of 125, 117, and 113 (12 figs. over 100); won't the move to Pimlico help with it's shorter distance and tighter turns? what if Baffert gets this talented colt to relax? plenty of reasons to back this colt but the bottom line is that his price will plummet, he'll face more speed than he's ever seen, and he'll be asked for yet another monster effort; don't forget about all the speed drawn directly to his outside; the one to beat, but we see some chinks in the armor.

Table Limit

Maiden special weights to allowance - company - to the Preakness? is that even possible? royally bred runner is a Lukas charge so maybe it's not so crazy after all; or is this guy's sole mission in life to harass War Emblem for Lukas's other runner, Proud Citizen; afraid we don't buy the rabbit theory because Proud Citizen isn't proven off the pace; no more Bailey who rides Medaglia d'Oro; for those who says he too inexperienced, he's making start #6 which is the same as Crimson Hero and Medaglia d'Oro; pace still a killer while class hike the toughest in racing; if he wins, we'll never forget him but.....

Booklet
Runs well with a clear lead but looked what happened in his couple when he had to work for it (2nd and 4th); how in the wide, wide, world of sports is he going to clear this group? War Emblem, Table Limit, Menacing Dennis, Proud Citizen or even Medaglia d'Oro could hound him throughout; the good news is that he's fresh, in a great barn, and figures a decent amount price; the not so good news is pace and even whether he can get today's distance; talented runner has work cut out for him.

Menacing Dennis
Oh, boy, does this gelding have a lot to do; not only will he have to endure some serious pace pressure but he'll have to do it in only his 5th start of career and 2nd around 2 turns; AND, from an outside post; who's to say he can even get a mile and 3/16ths? we like the fact that he showed a ton of talent at age 2 and that he's definitely on the improve but what has he beaten? cooked by Officer, 2 back, just won't cut it; any chance he could be the speed of the speed? it happened in the 'Derby but twice in a row? hard to fathom; pop and stop looks more than likely; sorry.

Proud Citizen
It's Lukas and for some that will be good enough; you can say all you want about the great trip that War Emblem got in the 'Derby but Proud Citizen got almost as sweet a journey; 13 point Beyer improvement takes it's toll today? it's something to consider but more so today's anticipated fast fractions; when has this colt passed others? to win today, he'll need to; distance no problem and he couldn't be any sharper but you won't get anything near 23-1 today while pace pressure a real worry; is he that good? from this outside post?

Equality
Winner from last a Kimmel runner who Beyered a 97 before getting a 102 in the Aventura; plus, Equality had trouble in the aforementioned race; with that said, this is still a huge jump class-wise not to mention the extra distance; nice to know that connections have been pointing for this spot and that he's capable of the pace but this runner has never been that far off the early leaders and that figures to change today; or does he try to stick closer to today's anticipated fast fractions? back to back triple digit figs. is promising but he still needs to take another step forward to even taste the exotics today; post no - help either; tough task upcoming.
