TIZ THE LAW taken in hand after springing from the starting gate, attained a forward position proceeding along the chute, stayed within striking distance, crept up to the pacesetter from path three after three-quarters had been completed, seemed poised to strike when ready, directly abreast of the leader as they headed home, tipped slightly at the top of the lane, accelerated when given his cue in the vicinity of the three-sixteenths pole, opening up a commanding lead only a sixteenth down road, stayed well in the clear under good handling. DR POST took up residence in midpack after the field had been sent off and running, was in path four travelling on the turn, was under a ride angling six wide for the drive home, had a good finish down the center of the strip to garner the place. MAX PLAYER cut over to the inside route, was along it for a good portion during the journey leading up to the half mile pole, shifted into the two path at the top of the turn, got fanned out seven wide from upper to midlane, went on to secure the show. PNEUMATIC along the outside throughout, raced three to four wide on the turn, got sent out into path five entering the stretch, gave way. TAP IT TO WIN was under a firm hold establishing control on the chute, crossed onto the backstretch, continued to be rated along carving out the pace, several paths off the rail, slid over to the inside coming up to the top of the turn, came under intensified pressure from

route, ventured onward saving ground on the turn, swung four wide into the lane, had no offering. FARMINGTON ROAD made contact with MODERNIST right after the start, departed the backstretch from path four, shifted out about eight wide in the lane running on empty. FORE LEFT prompted the pace to the outside of TAP IT TO WIN, followed that foe inward stepping off the backstretch and tucked into the two path, kept pace for another a furlong, began tiring leaving the three-eighths pole, cut the corner into the lane then was allowed to fade away. JUNGLE RUNNER moved up steadily on the front runners along the backstretch, cut over to the rail at the top of the turn, fell back, went four wide into the lane with little left and further retreated.
