## **PICK: 7 YO SOY ROY**

He ran pretty well in Texas but the wheels fell off in the first start here in OK. Gelded after that poor run last time out. Deep closer has enough backclass facing better Texas-breds to beat these. Trainer hitting at 30% and he does well dropping into high claiming. Blinkers off. Expect him to be finishing fast.

### **VALUE: 1 LIFE AT SEA**

Last time he was at this level was 3 starts ago. He ran well for second behind one who came back to win 3 times including a stakes at Lone Star. He likely needed the start off the long layoff last time out. Connections don't give up on him and only drop him slightly. Regular rider Quinonez stays aboard here.

### **PICK: 6 WAKUDA**

Well-bred Winchell Gun Runner filly. She was second in both of her starts on the dirt. Didn't handle the turf in her other two starts. Showed good speed in the neck defeat two back with this same rider aboard. She was unlucky there as she ran good enough to win. Asmussen hitting at 25% so far at this meet.

## **VALUE: 7 MERRY MARY LOU**

Trainer Francisco Bravo has two in the race and they apparently have been working together as these works are identical. Second dam ran for this owner and trainer and won nearly 200k. Bravo is 4 for 18 (22%) with 8 in the money and a \$3.36 ROI with a debut two-year old in a MSW sprinting with this rider.
