Definitions for North American Stakes and Black Type Races

The following definitions, adopted by the 1990 International Cataloguing Standards Committee for use in sales catalogs published by members of the Society of International Thoroughbred Auctioneers in North America: Fasig-Tipton Company, Keeneland Sales, Ocala Breeders Sales Company, and Woodbine Sales), apply to stakes races contested in North America:

- STAKES RACE: A race which closes more than 72 hours in advance of its running for which subscribers contribute money towards its purse.
BLACK TYPE STAKES RACE: A stakes race that has a purse of \$25,000 or more added.
BLACK TYPE GUARANTEED STAKES RACE: A stakes race that has a guaranteed purse of not less than \$35,000 added.
BLACK TYPE INVITATIONAL STAKES RACE: A stakes race that does not have to have a contribution from the subscriber to its purse but must have a minimum guaranteed purse of \$50,000.
GRADED STAKES (G1, G2 or G3): A non-restricted race with added money value of \$50,000 or more which has been assigned Graded Race status by the TOBA North American Graded Stakes Committee.
LISTED RACE (L): A stakes race which is eligible to be graded, but is not, i.e., an open race with at least \$50,000 in guaranteed or added money which has been run under similar conditions (surface, distance, etc.) for at least the last two consecutive years.
OTHER BLACK TYPE (No designator): A stakes race with added money value of \$25,000 or more and less than \$50,000.
RESTRICTED RACE (R): A stakes race with added money value of \$25,000 or more restricted to certain runners defined by the conditions of the race, which tend to exclude runners of greater quality for considerations other than sex or age.
HANDICAP (H): A handicap race which qualifies for Black Type but does not carry the word "handicap" in its name.
FOR 1985 RACING ONLY:
OPEN STAKE (O): A stakes race run in 1985 which in that year had an added money value of \$15,000 to \$49,999.
QUALIFIED RACE (Q): An allowance or handicap race run in 1985 which had a purse value of \$30,000 or more.
NON-QUALIFIED STAKE (N): A stakes race in 1985 which had in that year an added money value of less than \$15,000. Such races carry the "N" designator but do not receive Black Type.
