Has handled easier handicap types with ease twice since return; Sellers defects but Nakatani one of the best at using the rail to salvage speed shot; yet outside of Texas romp, her average BSF has been a notch below; odds may entice but her streak is derailed today.

Showed a lot more in her second start back in the TCoA; yet still no match for 'Belle or 'Maid; horse for the course credentials but her best has come near the lead; and lead is crowded with speed; but the beat she handed Stop Traffic and 'Pink here 6/26 duly noted; will need a replay of that and a bit more; believers will get a similar 10-1 price.

Things were just fine going longer and longer at Ellis; but has cut back with less success; forced to circle widest in the TCoA in costly maneuver; Hough is on fire with Lefty's Dollbaby and Joy Ridge (both \$10) and Dixie's Home (\$27.40); yet they had different looks, some value but tough spot to rebound.

Come-from-the-clouds type at least gets highly contested pace to shoot at late; likes track, with bullet in the tank; and McCarron could be key rider change as he can wait for pace to shake out several before making his move; exotics potential at a price.

Cross-entered in marginally easier race Friday; carved career BSH off the layoff; turf dash flop forgivable; decent breeze since; must lock horns with Bourbon Belle from the bell; looks like suicide mission here; prefer in other spot.

She's learned how to take a breather on the lead, thanks to Martinez' persistence; customary Spectrum bullet since last; can dispense of the other speed; but Traffic will be ready to cause trouble; exacta partner last four; let's make it five and a big shot to take it all again.

A CLOSER LOOK

Iroquois

Color of Smoke

Would describe Smoke's color in last out at KEE as iblur; just kept pouring it on as the field spun out of the turn; suspect pedigree gives colt very limited distance ceiling, & despite widening in last, not convinces he's a miler, especially with pressured trip that seems likely today; nice breeze since last; gets Bailey.

First American

Day of firsts for First - first Lasix, first blinkers; decent middle move in last when dismissed at 36-1, but actually losing ground late; stayed close to a sprint pace in debut, so really no reason for colt to drop so far back - thus, the hood; perhaps not as far behind these as you think, & might benefit from heated pace.

Here's Five

Done nothing wrong in two career starts; trainer Hough has given colt bit of time, three breezes (all impressive) since last; bred to relish this trip & already proved rateable; is he fast enough? Beyers so far say perhaps not, but seasoning & stretchout hint he moves forward again; maybe.

Gold Market

Appeared a bit dull in last, & tried to get out entering the stretch, just as Color of Smoke was beginning to get away; colt still finished decently that day to hold second, & from looks of first two starts, he can do better; Day sticks around; already beaten by Exploit; 1/2 to Grand Slam looks better for minor award.

Exploit

Likely favorite stretches out off two sparkling sprint wins; McCarron took him back off sizzling early pace in last, & colt seemed willing to respond to tactics - was drawing off late after five furlongs in :56 3/5; bullet breeze on 10/29 suggests colt likes CD just fine; stretchout probably no problem since he's a half to multiple G1 winner *Prized*; likely factor throughout, but must avoid compromising duel around turn.

Zito/Celtic Pride obviously lost a bit of faith in this gelding - tagged for \$75k in only second out; three races later, he steam-rolled n1x by 10 & was entered in BC Juvenile; failed to make that field, winds up here; loved the mud in last - skeptical view of that Beyer, margin; regression likely, given figures prior to last, & may be overbet off the one race.

Also entered for B.C., but finds much more suitable spot here; KEE inside bias not as pronounced this meet as last, but strong nonetheless; this colt rode it to desperate win in last, but now must try to carry speed another 3/16 in peaceful field; smoked 5f here Sun.; others look better.

Olympic Journey

Somehow managed to fall 24 lengths behind in KEE stakes; made up decent ground while no threat to top finishers; that far back in route, how far behind today, with a sprint-like pace up front? Gate trouble in Cradle, where he took some action; will be running late, but doubt for more than smallest of shares.

Crowning Storm

Looks like the X-factor here; Beyer in MSW score not all that high, but with a triple-trouble line & early 14-length deficit, we can only look upon the race as impressive; McAnally must feel similarly, or this colt would still be in his SA stall; loses McCarron, picks up Stevens - fair trade; look for another flashy midrace move; contender.

Griselda

Versatile sort who gets the added attention of one of Europe's finest jocks in the saddle; the E. P. Taylor, typically one of the toughest Grade 2s out there, was a strong race for this filly as she was able to work her way back in contention following a fade for the first mile; if Dance Design fades, that could open things along the rail for her; should contend again and possibly spring an upset.

OK, in hindsight, the BC Turf was a bad idea last year, but throw out the Yellow Ribbon and she had fairly good credentials; once again, she'll be running hard early, but will have company in B. A. Valentine, possibly Dragonada, and Prairie Maiden; pace has had problems on the turf during the first part of this meet; Kinane had a lot of success with this miss overseas but he'll be hard-pressed to bring back that magic today.

Best effort came in a Group 2 at Newmarket, which is similar to a decent listed stake here; gets Lasix in her first U. S. start and has shown some nice closing ability, but wonder if she can handle the class switch, particularly against more experienced runners; also, notice she's never run longer than a mile and has weakened late in the past; iffy.

The Unforgiven

Well, she's certainly been on top of her game since the layoff, but only one of her past seven starts was against graded-stakes company; always gives a game effort and hasn't had the best trips recently, but it will be interesting to see if she can keep that up or bomb soon; having a month off should help keep her fresh, and recent workout shows she's ready; could be an intriguing choice in the tri-fecta if you're looking for longshots.

Advantages: early speed, comes to table in tough graded stakes races, early speed, can hold off challengers in mid-race, did we mention early speed?; disadvantages: Colcon owns her (including last year's Cardinal drubbing), the turf course has been very unkind to pacesetters, and three others will try to run with her; has had some problems this year, with her only win coming in the Mint Julep; will probably try for at least a half, but not expecting her to contend at the end.

Capable of putting together strong performances, but notice her record in graded stakes; the good news is that the course has been as kind to stalkers as it has been unkind to pacesetters; of course, in her second start off the rest, it's been mixed at best; a tough call on this miss since you could go back and forth on her all day, if you're letting the odds be your guide, she tends to do better when expected to.

 May be kicking myself later for picking against this miss for top honors as she runs well off the layoff and stalks the pace effectively, plus she's gotten better against graded stakes competition; however, Colcon has been a solid performer for so long that she'll be tough to knock off at this level; obvious contender who might pull off the upset but will have to be on top of her game to do it.

Oh Nellie
 Has closed well in the past but prefers to stalk or press the pace; at her best when going a mile, plus the 12-hole won't be a help; has picked up ground in the final stages, though, so may stand a better chance than the other early speedsters.

Bursting Forth
 Lost to contender Cuando in the New Castle but beat The Unforgiven, who doesn't look bad herself, in the All Along; versatile sort would look great in several other races, especially with win machine Prado coming along for the ride, but think that 13-post will be awfully hard to overcome; board streak figures to come to an end, but watch for her next time out.

A CLOSER LOOK
Juvenile

Prime Directive

In the 8 Juvenile colt races contested at 8 1/2fs around 2 turns, only Arazi (post 14) has won from outside post 7; only Arazi and Timber Country have won from outside post 5; ironically, both horses won at CD; best run for 'Directive came sprinting in the G2 Saratoga Special; beat Cat Thief who is now one of the favorites for this race; granted was 5 wide on the turn in the G1 Champagne but still put off by the fact lost ground the last 1/8th; The Groom Is Red won the race after trailing by 13 lengths suggesting this guy should have finished stronger; not convinced 'Directive will be at his best in the first try around 2 turns.

Red Sea

Number of horses shipping in outside North America who have finished in the exacta in first 14 B C Juveniles: 2; Arazi won in '91 and Elish finished 2nd at almost 17-1 in '94; both competed at CD; must be the cool weather; anyway, 'Sea on the dirt for the first time while racing with first-time Laxix; brings quality from Europe with a G3 win and a G1 2nd; drew well but is the speed there to take advantage of post 2? tough read.

Lemon Drop Kid

5 of 14 Juvenile winners last raced at Belmont in G1 Champagne; eliminate the 5 Breeders' Cups in California and 5 of 9 Juvenile winners exited the Champagne; \$200,000 yearling bred to excel going long as dam posted 8 exacta finishes in 12 career races; average winning distance for sire's winners: 8.1fs; like the fact will get the jump on The Groom Is Red; appeal tails off considerably on an off track; beaten in the Champagne in the slop and did not handle the muddy CD strip well in the Nov. 3 work; trainer Schulhofer: "On a dry track, we have a big shot."

Yes It's True

Lukas has won Juvenile 5 times; 'True certainly not coming up to the big event the right way; raced like a spent horse in the stretch of the G2 Lane's End Futurity which was start #1 around 2 turns; speed to be prominent from the start yet was rated without success in the Lane's End; \$220,000 yearling buy owned the CD main track earlier in the year but

the competition has caught up; coupled with Time Bandit who edge True in the G3 Bashford Manor; belief here is both horses are better sprinting; Stevens won the Juvenile with Brocco in '93; Brocco was coming off a 8 1/2 length win; True coming off a dud.

Answer Lively

If any of these look to be on the come, this is the guy; huge effort in the first try around 2 turns as did all the work battling inside on the front in the Lane's End Futurity before run down by Cat Thief; drew extremely well for the rematch; along with Buck Trout Lively rates as the sharpest of the speed; holds a decisive Beyer edge over Trout based on their lone 2-turn races; bred to only improve around 2 turns with dam being a full to multiple graded stakes winner Erica's Dream who won 9 routes; jock switch to Bailey; major player.

The Groom Is Red

\$52,000 weanling became a \$150,000 2yo; possible favorite is vulnerable in first start around 2 turns; 2 top Beyer figs have come on off tracks; did run well in the Sept. 25 fast-track mile win but was beating nonwinners of 2 races lifetime; closing style leads to possible traffic woes with 13 lightly raced 2yos struggling to finish; 9 of last 11 Juvenile winners on the lead at the stretch call; that is not Red's style; perhaps with Pitino having nothing to do these days Rick has been having Red run lines to improve the early foot; well, probably not; willing to take a serious stand against.

Juvenile winners on the lead at the stretch call; the other 2 were within a head of the lead; is Thief capable of being in such position with 1/8th of a mile to go? speed flashed in sprints indicates the answer is yes; respect the huge move forward in the first try around 2 turns; Day and Lukas teamed up to win '94 running with a favored Timber Country; threat.

Buck Trout

Nothing wrong with playing speed in the juvenile; 3 winners have gone gate to wire; 4 others on the lead after the first 6is; \$220,000 yearling beat winners in G2 Norfolk for maiden score; impressive on the front in that 2-turn mile; like the 2-turn experience; on the downside, check this stat; juvenile males shipping out of California to run in the Breeders' Cup; 0-20; mixed signals but belief here is with a substantial upside; Trout capable of being more than a pace factor.

Time Bandit

In contention from the start of the Kentucky Cup Juvenile yet could not go with a stalking Aly's Alley when that rival came calling with his "A" stride; must try to establish the same forward position from post 10 after breaking from the rail at Turfway; \$85,000 yearling will be hard-pressed to be a pace factor.

Daring General

Odds-on choice in the G2 Norfolk unable to run down the loose-on-the-lead Buck Trout; like that foe is carrying the stigma of juvenile colts shipping out of Cal for the Breeders' Cup; their record; 0-20; post 11 no bargain; loses Nakatani to The Groom Is Red; California fans may want to back trainer C. Dollase who has done little wrong this year in SoCal; still an outsider.

Tactical Cat

Favorite in the G1 Champagne turned in a clunker; was it the sloppy track or the added distance? well, bred to handle middle-distances as dam a stakes winner who posted 7 exacta finishes in 14 career routes; Storm Cat a strong mud sire which only adds to belief 'Cat should have run better in the Champagne; no juvenile has been won by a horse finishing worse than 4th in their previous start; Cat finished 5th; Cat Thief is strength of the 3-horse entry.

Mountain Range

Layoff of 2 months a concern; one of 14 juvenile winners made their last start in late Sept.; the other 13 all started Oct. 5 or later; does have a 2-turn win and Lukas on his side; also able to beat The Groom Is Red sprinting; drew poorly with post 13 to overcome; Day stays with last-out winner Cat Thief; outsider.

Aly's Alley

Simply has not run fast enough to win a G1 event; benefitted from a dream trip in the G3 Kentucky Cup score as stalker 2 battling front runners; never in the hunt Champagne on a sloppy track; post 14 not going to help longshot make a run.

A CLOSER LOOK

Juvenile Fillies

Extended Applause

Exacta shooters will note her trait of finishing 2nd in graded stakes at odds of at least 7-1; bred to route - and adapted nicely to 2-turn game in the Alcibiades; Prado: "She ran her heart out. It just wasn't good enough against that other filly (Silverbulletday)"; Sellers, 2nd to Day in the spring standings here, takes the mount; attempting to become the first non-Kentucky-bred to win this event since Florida-bred Meadow Star in 1990; trainer is on the record as saying "she's gonna be hard to beat"; her consistency merits some respect.

Three Ring

Formidable in Florida; the only Juvenile Fillies winner who made her pre-Cup start at Calder was Brave Raj in '86; Brave Raj also won the Susan's Girl and My Dear Girl; cost \$70K in Feb. this year; first starter out of dam who made \$101,378; versatile in terms of running style; proven at the distance; minor award is a reasonable goal - and she isn't the worst price play in the world for those spreading in Pick 3 and/or Pick 6.

Unbridled Delight

Demanding task for a maiden - especially one with low Beyer's; each runner who has finished first or 2nd in the Juvenile Fillies in the 1990's had at least one pre-Cup Beyer exceeding 85; she hasn't come close to that level; trainer and pedigree account for most of her appeal at this stage; Lukas has 3 wins and 4 2nds in the Juvenile Fillies; \$335K yearling buy is a 3/4-sister to \$754,419 earner Quiet American; will side with those who have won a race.

Bag Lady Jane

Byrne won both Breeders' Cup races for 2yo last year, as Favorite Trick took the Juvenile and Countess Diana won the Juvenile Fillies (by a combined 14 lengths); those runners figured much better than this one; she hasn't been seriously challenged in either start; \$90K weanling is first foal out of dam who was a Canadian filly champion at 2 and 3 (\$593,409 earnings); Byrne fans will get a much higher price than usual on their guy; has generated some positive reports from clockers; would like to see a bit more experience and/or considerably higher speed figures.

PHILLIPS RACING NEWSLETTER'S FALL-GOLD HANDICAPPING HARVEST

Once again, our readers have provided us with a wealth of winning handicapping material, which you'll get in the October Phillips Racing Newsletter and the current November PRN. In October, we had a great system from a reader called LOWEST WEIGHT CARRIED. This one can pick big longshots as we show with two winning samples that paid \$84 & \$121! In November, we have some highly rated items from readers (one as high as 9), plus a very good method of our own called PHILLIPS HIGHLY CONSISTENT SYSTEM. So please subscribe to Phillips Racing Newsletter today and join in on a bountiful, fall-gold handicapping harvest!

Phillips Racing Newsletter is published monthly and covers all aspects of handicapping as we review and rate (on a 0-10 scale) most of the new systems, books, videos, and software.

To further encourage new readers to subscribe to PRN, "the consumer's guide to handicapping," here's our special discount offer:

- 6 issues of PRN (regularly \$6 each), starting in October with LOWEST WEIGHT CARRIED, plus November with PHILLIPS HIGHLY CONSISTENT SYSTEM, and PHILLIPS BEST EXACTA SYSTEM (originally cost \$25) will be included free as well.
- In addition, we will include our valuable MASTER INDEX (regularly \$10 each). Our INDEX lists and rates everything we've reviewed this decade, literally hundreds of items.
- Total value is over \$70, but this offer is our lowest ever, a savings of more than 50%; just \$35!

All orders are filled the day we receive them and returned by first-class mail at no extra charge. And each subsequent monthly issue will arrive in a timely manner, too, as we've never missed a publication date (the first Wednesday of each month) in our 24+ year history. Please send a \$35 check or money order to: E.O. PHILLIPS CO., P.O. BOX 5817, AUBURN, CA 95604-5817

Antahkarana

Can't be too harsh on her for those losses to Excellent Meeting; declining Beyers are a worry; made a great first impression at Del Mar; students of pedigree would expect her to improve in races beyond 6 furlongs, but that hasn't happened yet; sold for \$50K as weanling; lightly raced, but it should be noted 4 of the first 14 Juvenile Fillies winners made their 4th career start on Cup Day; has lacked punch in final furlong of stakes races; isn't out of the question, but her bandwagon was quite a bit more crowded in the summer.

Silverbulletday

Rebounded from first loss of career with a powerful win in the Alcibiades; made a sensational move on the turn; has the highest last-race Beyer in the field and it was her career "top"; of Juvenile Fillies winners in the 1990's, 6 of 8 have had the highest last-race Beyer and 7 of 8 were coming off their Beyer "top"; respect her last 5/16ths in 31.40 seconds in the Alcibiades; overcame trouble on the first turn, as she "was knocked completely off balance," according to Stevens; has a pretty good alibi for Del Mar fade; set incredibly fast half-mile split on a day when speed wasn't holding; just one look, that's all it took for Baffert to buy her for \$155K as a yearling; she wasn't on his list for the sale, but it was a case of love at first sight; fluid mover is related to 3 runners with earnings exceeding \$190K, led by Kerfoot Corner at \$229,438; adores Louisville; rapid workouts; much to like.

Excellent Meeting

Capable of electrifying runs from off the pace; has highest career Beyer in this field; her huge move in the Del Mar Debutante may have been aided by 1) sizzling splits in front of her and 2) a track that was kind to closers Aug. 29; the Oak Leaf was somewhat of a let-down from the figure standpoint and her last quarter-mile was ordinary (26.12 seconds, using a measure of 6 lengths per second); had little chance on a speed-favoring track in the Sorrento; full sis to \$198,395 earner Crowning Meeting; habit of slow starts is a potential problem; 2-year-olds who made their last start at a California track, then shipped to an out-of-state Breeders' Cup for either the Juvenile or Juvenile Fillies are a combined 1 for 43 (one winner was Pleasant Stage, also an Oak Leaf winner, in '91 Juvenile Fillies here); with this one and Silverbulletday, Baffert has 2 serious contenders.

Grand Deed

Intestinal problem put her in a Lexington equine clinic for 2 nights last week; of the last 26 horses to finish 1-2 in the Juvenile Fillies, 25 were either 1st or 2nd in their preceding race; thus the 3rd in the Alcibiades is a mild concern; McPeck on that race: "She was 5, 6, 7 lengths closer to the pace than we ever expected her to be"; after the Kentucky Cup Juvenile Fillies score, Stevens said "she had a real strong last 8th (of a mile); brings relatively weak Beyers to the table and would be a surprise.

Rayelle

Undefeated, but this will be her first dirt route; several of her foes seemingly have superior distance breeding; full sis to \$170,485 earner Altazarr; dam made \$390,370; coped with the extra quarter-mile on turf at Santa Anita; Mandella thinks she prefers dirt, "but the turf race popped up at the perfect time because we wanted to see how she would do around 2 turns, so it worked out well"; impressive sprint win Oct. 1; trainer won this event in '93 with Phone Chatter; can't argue with connections for giving her a shot at the big prize.

Each of the last 11 winners of this event finished either first or 2nd in the Frizette, Alcibiades or Oak Leaf; the Frizette has been the best of those 3 preps, accounting for 6 of the last 11 winners; a key handicapping issue is how much of her improvement last time was due to the sloppy surface; she's been on the lead in both routes, though those were around one turn; like the fact she's a Grade 1 winner at the distance; Mott-Bailey tandem seems to be at its best for the biggest races; not crazy about the post; ultra-tricky call.

Emanating

Off-pace runner is improving for barn that won this event in '95 with My Flag; half to \$480,712 earner Gold Fever; dam made \$216,037; graded stakes experience - which she lacks - historically has been significant in this event; only a few entrants have higher last-race Beyer's, though; adapted nicely to 2 turns at Delaware; Shug's comments this week included, "I'd be surprised if she didn't run a bang-up race"; headed in proper direction, but faces a demanding test.
