CLOSER LOOK He didn't have much to offer after encountering a little early trouble behind American Pharoah in the Kentucky Derby and idle since, now he'll try to get to that foe at a 12 furlong trip; he looked pretty good winning on the Dubai World Cup undercard at Meydan and maybe he's better second time in the states, but though the sharp overseas barn shows some confidence in him by trying this, it doesn't really look as if he's set to improve all that much; gets the services of a top local pilot, but doesn't figure to pose a serious threat today.

CLOSER LOOK Jumped up to the Classic ranks after beating an overmatched bunch at Keeneland to break his maiden in his sixth career start; late runner got up from well out of it in the Preakness to run down foes who were exhausted from chasing gate to wire winner American Pharoah in a sea of slop; his style of running is not often successful in this heat and the big jump in speed figures last time out suggests he may be more likely to take a step back while returning in 3 weeks for this; barn's late running Kentucky Derby runner up last year, longshot Commanding Curve, beat just 2 runners home while finishing ninth at a shorter price in this race; new rider has won this race 3 times, most recently in 2001 with Point Given; prefer to back others for the money spots.

CLOSER LOOK Last out local G2 Peter Pan winner enters this on the improve from a figure standpoint and he has been working well since that score so maybe another move forward is in the cards today; his sire was a classic winner and he looks like a true router so maybe he'll handle today's trip, but he was handily defeated by American Pharoah the last 2 times they met and don't know that he'll be able to move forward enough to seriously close the gap today; maybe he's able to get in the mix for a minor award.

CLOSER LOOK He hasn't seen the winner's circle since his maiden score last fall and neither of his last 2 tries suggests he's a threat against this type; colt doesn't have any early foot and that means he'll likely find himself well out of it and with a lot of work to do in the latter stages of this race; his barn has pulled off a couple of upsets against Triple Crown seekers in this heat, having taken the 2008 edition with D'Tara over Big Brown and spoiling Smarty Jones' chances in the 2005 renewal with Birdstone and his new pilot won this race 2 years ago with Palace Malice and in 2010 aboard Drosselmeyer; doubt this long price will have much of a say in the outcome today.

CLOSER LOOK Looks to become just the 12th Triple Crown winner after showing his versatility in the first 2 legs of this series; he's worked well at Churchill Downs since the sloppy G1 Preakness score on the engine for a barn that won this race in 2001 with Point Given; his rider was in this same position last year with California Chrome, who was able to manage only a fourth place finish, and in 2002 for this conditioner with War Emblem who was unable to threaten longshot winner Sarava; he's obviously not going to offer any value and he'll be making his fourth start in 8 weeks in this Test of a Champion, which alone could make things tough on him in a 12 panel heat, but given a clean break he does figure to have every shot to earn his place in history.

CLOSER LOOK He's run his 2 best races from a figure standpoint since undergoing a minor throat procedure following his G2 Fountain of Youth fade at Gulfstream Park in the winter; his rider won this race last year with Tonalist; gray found himself much further out of it than usual in the Kentucky Derby, but once he got on track and into gear he made a strong run to just miss third money; the 5 weeks off since looks to have benefited him and it certainly appears as if today's added ground will agree with him; his recent breeze says he'll be closer to the front runners early and that should help his kick; he's the one they'll have to fear in the lane.

CLOSER LOOK He enters this G1 stake with just a maiden win to his credit and though he had a little bit of trouble, he wasn't much of a threat behind American Pharoah in the G1 Kentucky Derby; late runner has made up ground through the lane in most of his starts so the added trip figures to help his run some, but don't know that he's good enough to step with this bunch; looms a big price.

CLOSER LOOK Pletcher colt went into the G1 Kentucky Derby undefeated from 3 impressive starts in Florida but lost all chance of keeping that streak going with the slow start from an inside draw; he did run on well late and has had 5 full weeks to prepare for this grueling 12 panel contest his sire won 10 years ago; his barn has won this race twice, most recently in 2013 with Palace Malice, and combined with today's pilot to take the heat with the filly Rags to Riches in 2007; his rider also won this race in 2012 with Union Rags; he's been working well and expect he'll get off to a better beginning here which should put him on or close to the lead from the outset; this lightly raced colt looks to pose a big threat to get back on track off the 5 week break and rates
